(It starts with the Loud House were Lincoln was just watching TV. And all of a sudden, Lola just appeared and punched Lincoln in the arm and snatched the remote from him)

Lincoln: Ow! What was that for?!

Lola: Nothing. Just wanted to watch TV.

Lincoln: But Lola, I was watching TV first!

Lola:(rude) Excuse me! It's Ladies first. Now move!

Lincoln:(frustrated) I wasn't finish watching my show!

Lola:(rude) Well, too bad! You should've recorded it! Now, run along!

(Lincoln sighed as he left in an annoyed look and went to the kitchen. He went to get him a popsicle but unfortunately Lynn snatched the popsicle from him.
He tries to get it back she keeps blocking him)

Lincoln:(upset) Lynn! C'mon! I was there before you had that popsicle. It's mine!

Lynn: Well it's mine now, Stincoln. Go get another one.

Lincoln: But, that was the last one.

Lynn:(rude) Whatever. Go look for an icecream truck or something.

(As Lincoln grunted he starts to get a little angry, he heads upstairs and head upstairs to the restroom. But Lori runs in front of him just as he just touched the door and pushes him back)

Lincoln:(upset) Hey! Lori! I gotta to go!

Lori:(mean) I came here first! So I was born first! (shuts the bathroom door)

(Lincoln gets mad and went into his bedroom. And began to speak to the fourthwall)

Lincoln:(to the viewers) (upset) You remember how I mentioned in the beginning during the runaway incident last time when I said that everytime i forgive them it goes back to normal, but then they make the same mistakes with me over and over? Yeah. I knew that was going to happen. After all they've done for me. Matter of fact, after all I've done for them.
I thought everything was going to change for me in this family. But don't even get started on the last 10 months after I returned to Royal Woods from New York when my runaway first ended off.

FLASHBACK

(It Flashes Back to when Lincoln was reading his comicbooks.
But Lola kicks his door open in a bad mood)

Lola:(mad) Lincoln! What happen to my Marshmellows?!

Lincoln: I was kinda hungry.
But-

Lola:(angry) Wait-wait-wait-wait.
You are all my marshmellows?!

Lincoln:(shocked) I didn't mean to! Lana said I can have some!

Lola:(angry) She what?

Lincoln:(panicked) I asked her if you were using them and she said no. So I got so hungry ate some.

Lola:(angry) Well next time, you eat my marshmellows again, I'm going to tell mom and dad. Imma get you so good, you wouldn't even be breathin. (leaves the room) Lola out! (slams the door)

(Lincoln gulped after she left his room. It cuts to another flashback. In the Hallway Luna was yelling in the background)

Luna:(angry) Who broke my Axe?!

Luan: It wasn't me. Otherwise it could be another Mystery. (laughing) Get it?

(Luna rolled her eyes in annoyance)

Luna: I know Lols didnt mess with it, and I know Lans didnt crash over here, Lynn didn't break it either. I guess there's one person I haven't asked yet. But who?

(A Knock on the door was heard.
When Luna opened it and it was Lincoln who came in to confess)

Lincoln: Luna, I'm here to make a confession. (gets nervous) I'm so sorry. I accidentally broke your axe because there was a tarantula on the strings. It was an accident.
Please don't be mad.

Luan: Well, first of all that wasn't just any tarantula. That's one of my things I use for pranks.
I think you meant well.

Luna: Second of all, I'm not mad at you. Just give me a second to cool off. (Inhales her breath)

Lincoln:(calms down) Phew!
I thought you were about to blow on me like I never been yelled at bef-

Luna:(angry) DO YOU KNOW HOW LONG IT TOOK ME TO HAVE THIS GUITAR?! DO YOU KNOW THAT?!

Lincoln:(shocked) (shaking)
I didn't mean to. I-I-I just....
It was an accident!

Luna:(angry) YOU KNOW WHAT?
WHAT WRONG WITH YOU?! SHOULDN'T YOU BE TAKING YOUR

FOOLISHNESS SOMEWHERE ELSE?!

Luan:(neutral) Luna, I'm pretty sure it's just an accident. It's not the end of the world. It's just a guitar. He didnt mean to.

Luna:(angry) JUST A GUITAR? JUST A GUITAR?! I had this since I first found love for music!!! When I was a kid! I HAD THIS FOR ALMOST 6 YEARS!!!

(Cuts back to the Hallways as Lincoln got kicked by Luna)

Luna:(angry) GET OUT!!! I DON'T TALK TO YOU FOR THE REST OF THE DAY. MAYBE EVEN THE REST OF THE MONTH!!

Lincoln: But-

Luna:(angry) JUST GET OUT!!!!
(slams door)

Lincoln:(mad) (grunts) Fine!

(It Flashes back to another memory when Lincoln was playing with the dog, Charles)

Lincoln: Go Long!

(He threw the ball and it head to Lisa and Lily's room)

Lincoln:(slow-motion) Charles, wait! Don't go!

(The ball almost hit Lisa's experiments. He and Lisasighed as if he would've panicked. Accidentally,the dog hit the table. It caused the experiments to fall and explode.Lisa became angry)

Lincoln:(panicked) Lisa! I'm so sorry!

Lisa:(rage) You destroyed my life's work??!! I DEPISE YOU AND YOU NO LONGER EXIST TO ME!!!!!!!

END of Flashback

Lincoln: See what I mean?!
I know not everything has to go my way. But I thought things were

going to be differently than ever like we promised. It's not fair! And I hate lies. Once again, I've been fooled once more for the truth to come out. However it still hurts to see that I can come back and go over this again. It's always the same thing. I don't know why they always lie to me. They'll be sorry when I do something else if they don't regret it but right now, it's my time to shine. But never mind that. Today will be a good day.

Clyde:(on walkie-talkie)
Lincoln Come in.

Lincoln:(on walkie-talkie) This is me buddy. What's
up?

Clyde:(on walkie-talkie) Just thought if you can come and hang out with me at the arcade.

Lincoln:(on walkie-talkie) Alright.
On my way!

Clyde:(on walkie-talkie) Okay meet you there.

(Lincoln heads out downstairs as he begins to leave the house.
The sisters were watching TV)

Lincoln: Alright guys! I'll be right back. I'm heading to the arcade.

Lynn: Whatever Stincoln.

(Lincoln rolls his eyes and left the house. It cuts to the arcade where Lincoln and Clyde were at a table talking)

Clyde: She did what?

Lincoln: She snatched the remote from me like and kicked me out like I'm not allowed to watch nothing. That's why I missed today's episode. Then Lynn snatched the last popsicle away from me. And Lori, she pushed me out of the bathroom when I barely touched the door before I got in.

Clyde:(neutral) That's horrible.
They're still doing things their way to treat you.

Lincoln: Yeah. And that's why I said 10 months ago, I never wanted to comeback.

Clyde: You had the right to say that. Seeing you Running Away from home 10 months ago would the least thing I would do.

Lincoln: Especially for a friend.

Clyde: I know. I feel like something is might comeback.

Lincoln: I feel it too. I felt that 3 days ago. Like something's going to happen again. But what?

Clyde: I don't know.

Lincoln: Me either.

Clyde: Look Buddy, this mess happened before. Now we're not gonna let that happen again.

Lincoln: Your right. I don't know what to do, Clyde. I'm 12 now. I don't have time to be scared or cry about anything. Or running away from my problems. Im trying.

Clyde: I know, Buddy. Just stay seated and let this diner take this effect.

(Lincoln breathes in and out as he starts to feel supported by his friend)

Lincoln: Thanks, Clyde. I needed this.

Clyde: Of course you do. There's never been a better time than your family to be better than right now.

(The waiter comes up)

Waiter: Alright. What can I get for you boys?

Clyde: Let us have a whole Pizza please with pepperoni.

Lincoln: With French Fries on the side.

Waiter: And, Drinks?

Lincoln: 2 Colas Please?

Waiter: Got it. (Waiter leaves)

Clyde: See how your moving on?
Your getting better now. Just let the food take it's effect.

(It cuts back to the House.
Lynn Sr. just came in screaming)

Lynn Sr.:(panicked) Who scratched Vanzilla?!!

Lori: It wasn't me this time with my purse.

Lynn: It's not me with my bike either.

Lana: None of us either.

Lynn Sr.: Where's Lincoln?

Lucy: He went to hangout with Clyde.

Lynn: Though he left with his skateboard. Unless..... maybe he did it.

Lynn Sr.: For Godsakes, what is wrong with that boy?

Rita: Why does he always mess up and makes things harder for us?
Luan: I don't know? He always does something worse.

Lynn: When will he ever learn?

Lisa:(scoffs) Talk about how hard life always get when he's around.

Luna: Now that I think about it, when will he ever change?

Leni: I mean change is always good right?

Lucy: As long as we don't expect him to be worse than he is right now.

Lynn Sr.:(mad) Don't worry guys. Wait until he gets back. We could get even.

(It cuts back to the Arcade.
Lincoln and Clyde have finished eating as the Waiter came back)

Waiter: Would you guys care for some Dessert?

Lincoln: Yes, Ma'am. 2 Strawberry Milkshakes please.

(The Waiter left)

Lincoln: Your right. The food did take it's effect. I don't feel stressed out anymore.

Clyde: See you still got it.
I'm right by your side.

(It fades to where it's sunset and Lincoln and Clyde was riding their skateboards home from the arcade. They were talking to Ronnie Anne on his phone with video chat)

Ronnie Anne:(on phone) And
that's how I met Sid.

Lincoln: That must sound awesome.

Ronnie Anne:(on phone) It does really.

Clyde: Do you like it there?

Ronnie Anne:(on phone)
Like it? I love it! It's like this whole family is reunited all over again.

Lincoln: I know. Your lucky enough to have that. Unlike my family.

Ronnie Anne:(on phone)
I know. 10 months since you've returned back home and they still treated you the same way.

Ronnie Anne:(on phone)

I mean, when I first moved in with my family. I didnt know if I was ready. But until I've opened up not knowing if i was feeling comfortable back at Royal Woods,
They've understand how I felt.
I may gotten used it. You remembered that right

Lincoln: Right.

Ronnie Anne:(on phone) The point is. As long as open up to them for their concern they'll understand.
Because just know they down that they love you and always have your back. Just like mine.

Clyde: She has a point.

Lincoln: You could be right.
I just don't know that yet.

Maria:(on Ronnie Anne's phone) Ronnie Anne, Dinner time!

Ronnie Anne:(on phone) I got to go! It's lunch time.

Lincoln: Okay. Catch ya later.

Ronnie Anne: Bye, Guys.
(hangs up the phone)

Lincoln: Well, I'm here.
I guess I'll speak to you later.

Clyde: Alright, Buddy

(Clyde went home as Lincoln walked in the house and as he came in, the whole family except Lily was looking mad at him)

Lincoln: What? Why are you guys mad at me?

Lynn Sr.:(mad) You know why?

Lincoln:(confused) No I don't.
What do I do wrong?

Rita:(mad) I don't know. Maybe, somebody left a scratch on Vanzilla.

Lincoln:(average) What are you guys talking about? I didn't do it. All I did was grabbed my skateboard and left.

Luan:(mad) Your Lion. (laughs) Get it? But seriously, stop Lying.

Lincoln:(shocked) I'm serious!
I didnt do it! Before you guys start name-calling on me don't blame me on something I didn't do.

Lola:(mad) You know what?
You ruin everything! All you would ever do is make things worse.

Luna:(mad) Yeah Bro. Everytime you do something, it ends up to failure. You lie all the time.
Your such a mistake!

Lori:(mad) I don't why we ever cared when you first ran away in the first place. For the point where all you do is try to help but make people mad! Just why do you even
exist?!

Luan:(mad) What the heck is your problem?

Lynn:(mad) When will you ever stop messing things up?

Leni: When will you ever change?

Lincoln: I'm perfect!

Rita:(mad) No. Your not. Maybe it was perfect until you came in our lives.

Lynn Sr.:(mad) Don't you Understand? Your a nuisance.
You always mess up, you make things worse. Your a failure.
All you ever do is mess up, you mess all the time. Messing up is what your always good at.
Your a huge embarrassment.
You know that? Your nothing! Your a monster!

(Lincoln was shattered as his feelings were hurt)

Lincoln:(shattered) If that's what you're feeling, maybe I am a monster.

Lynn Sr.:(mad) You are.
You'll never be different. I wish you were more like us. But the way you are now, just terrible. You love under my roof, you follow my rules.

Lincoln:(hurt) Well Fine! I don't have to be here! You guys never cared about me anyway!
(Heads upstairs to his room but finds his sisters except Lily upstairs quick in his room)

Lincoln:(shocked) How did you all get here fast?

Lori:(mad) Faster than we ever knew.

(The sisters began to wreck Lincoln's stuff)

Lincoln:(shocked) What are you guys, doing?! Those are my comic books! My stuff!! Stop wrecking them!

Lola:(mean) Well too bad! You don't deserve none of this stuff!!!

(Lincoln tries.to get his stuff back and fight back. But they pushed him back out the door)

Lincoln:(sad) My Stuff!! (get angry) You guys are all demons!!!!!

Lori:(mad) Well you know what?
WE HATE YOU!

(The sisters came up in front of him in a circle and hit him real hard. Giving him a nosebleed, and bruises almost everywhere, and scratches, and sores. That he almost couldn't move and kicked him back to his room)

Lori:(mean) So the next time you think, you can call us demons, then WE'LL TREAT YOU LIKE ONE!!!! (slams Lincoln's door)

(Lincoln went on his bed and began to cry. Knowing how smart he was the past months before he returned from New York. He got his pjs on. He was looking in the mirror)

Lincoln:(sad) Maybe I do terrible

(Lincoln went to bed. It cuts to school and Lincoln was looking sad)

Clyde:(concerned) Lincoln, are you okay?

Lincoln:(sad) Just thinking about what happened yesterday of what they said to me.

Clyde: What?

Lincoln:(upset) Look, it's Nothing.

Clyde: C'mon, you can tell me.

(Lincoln felt like he wanted to stay silent. But he dosen't want his friend to be worried)

Lincoln: Clyde, when I went home yesterday from hanging out with you, they accused me for something I didn't do. They accused me of a scratch on our van. And they told me that I'm a mistake. And when I head upstairs to get ready for bed, my sisters, they hit me.

Clyde:(disappointed) Wow.....
I'm so sorry.

Lincoln: I don't know what to do, Clyde. I don't deserve that. Not at all. I knew it was gonna come back. That feeling where you feel like you're all alone and everyone is always agaisnt you and never turns back on you.

Clyde(caring): I know.

Lincoln:(sad) Look, let's talk about it later..... Okay?

Clyde: Okay.

(It cuts to Lincoln and Clyde walking home from School. However,

Lincoln was getting clueless)

Lincoln:(clueless) Clyde?

Clyde: Yeah, Buddy.

Lincoln:(clueless) Do you think I'm different?

Clyde: You are with the white hair your grandfather. Especially the fact with the only boy. However, you're last name is Loud. With that being said, I don't think you're different at all. Why?

Lincoln: The reason I asked is because of what my family said last night. They asked me why can't you just be like them. Why don't you stop messing up all the time?

Clyde: Everyone makes mistakes.
But that doesn't mean you always mess up. You always have some responsibilities.

Lincoln: I did.

Clyde: You don't have to be like them you know?

Lincoln: I know that. But there's one thing I'm very clueless about.

Clyde: What?

Lincoln:(clueless) Clyde, who am I?

Clyde: Dude, are you kidding me?
You're Lincoln Loud.

Lincoln: I know that. That's my name. I know what I like or love, and my favorites, I know my hobbies, I know what I'm good at. But what about me? What qualifies me?

Clyde: Well, do you know who you are?

Lincoln: I do but not like that.
I don't just wanna know in person, I wanna know what I am on the inside. I need to know who I am.

Clyde: These times take time to figure who you are. But if you try looking at a mirror, you can identify your true self of how perfect you are. It's like a conflict to depending on how much you love yourself. Especially the person you are deep down inside.

Lincoln: You could be right.
I did try personality tests.

Clyde: Those tests are cool but, they don't really help out.
You're trying to look for the real you. It's not just a face to be recognized as your own. Your opening your true-self.

Lincoln: I might try to doing that when I get home. But would they realize?

Clyde: Realize what?

Lincoln: My true identity.

Clyde: I'm sure they'll realize when they can just wake up and just look at you. I don't see anything bad about you at all.

(It cuts to Lincoln arriving to his house. He keep inside in a silent way. And went to the kitchen to get him a snack. His family looking mad at him. He just ignored them. And he went upstairs to his room and closed his door. Later he finished his snack. He stood up and start looking up in the mirror)

Lincoln:(in his thoughts) I may be different. I can't figure who I am. I know that I'm perfect. But there's something inside me that makes me special about myself. But what?

(Lincoln began to hear thoughts)

Lincoln:(in his thoughts) Your a failure. All you ever do is mess up, you mess all the time. Messing up is what your always good at. Your a huge embarrassment.
You know that? Your nothing! Your a monster!

Lincoln:(shocked) No I'm not!!
(covers his mouth) (huffing and puffing)

(30 minutes later, Lincoln starts texting Ronnie Anne)

5 Hours Later.....

(Lincoln was downstairs in his pjs at the living room. The family was looking suspicious at him)

Lynn Sr.:(suspicious) Why are weren't you speaking to us earlier today?

(Lincoln didn't respond)

Lynn Sr.:(mean) Speak up now, jackass!!!!!!

Lincoln:(mad) I didn't speak up because of what you did to meat night. For something I didn't do.
Before you start accusing me, you could of at least stop your with pity party and name-calling.

Rita:(mean) Name-calling. Your just making it up. It was your fault!

Lincoln:(livid) You know what? This is exactly why I don't even wanna be speaking to you to begin with. Everytime you do something, you blame me for something I didn't do. When will you guys watch over your actions and take responsibilities for it.
Second, you promised me when during the runaway incident that you would do better for a change.
But then you guys turn back to normal. It's like you guys are always the good guys and I'm not.
I'm just a slave. U don't care about how I feel. You're all too selfish to realize that. Except for Lily.
She loved me. But you guys don't.

Lori:(mad) That's not true!

Lincoln:(livid) All you guys ever do is lie on me!! You guys were wrong about me when you said I'll never be like you guys.
Well guess what, I don't have to be like you guys at all. I perfect.
It's you guys that messes up the most. I never asked to come back home from New York. I never asked to be in your life either!!
Don't you understand, you're the ones making my life worst! And

it's not fair! You guys hate me for no reason. Not knowing how I really feel. You guys were always selfish and you're rotten to the core!

Leni:(mean) False. All you do mess up. All the time! And never ask to bring you back or look for you over New York either.

Lincoln: You over here talking about me who needs to change. I don't need to change a thing about me. It's you guys who needs to change. Like looks at you guys,
ever since I've returned home, you guys have always treated me like I don't belong here, like I don't even exist at all.

Lynn:(mean) You don't because you were once bad luck.
We can probably make you go through that again.

Lincoln: I'm not going through that again. Because you guys would've killed me behind those times. I'm not doing it. Besides there's no such thing.

Lynn:(mean) Yes there is.

Lana:(mean) You're nothing but a burden.

Lucy:(mean) You ruin everythimg you do.

Lincoln:(mad) Fine maybe I do.
I don't even know why I'd ever
have you guys in my life anyway.
(Heads upstairs to his room)

(As Lincoln came his room, he became shocked when he saw nothing in his room)

Lincoln:(shocked) What happened to my room?! I was here hours ago.

Rita:(mean) Oh yeah. We sold you furniture. Again.

Lincoln:(shocked) What? Why?
I'm not even bad luck!

Luan:(mean) You'll figure out in a minute.

Lincoln:(hurt) What did I ever do it you?!

Lisa:(mean) You'd doing anything to make our lives worst. Your just a nuisance. Your a huge mistake.

Lincoln:(hurt) All I ever did was love you! And this is how you pay treat me?! What are you guys doing to me?!

Lynn Sr.:(cruel) That's why you won't be having dinner with us tonight. Because I have no son!
And were kicking you out.
AGAIN!

(As his father said that, Lincoln became defeated and he began to felt crushed in his spirit)

Lincoln:(crushed) What?

Rita:(cruel) Girls, take him away!!!

(The sisters except Lily was beginning to kick Lincoln out the house. Sad music started playing)

https://www.youtube.com/watch?v=aWIE0PX1uXk

Lincoln:(shocked) No! Please! Don't kick me out! I live here!
I'm your son! It's against the law!

Lori:(mean)(punches Lincoln)
Oh shut up! You putted you out before and we'll do it again.
Right now!!!

Leni:(confused) Why are we kicking him out again?

(It cuts to the kitchen where Lori opens the door to the back yard and they try to push him out.
But he fought back. Then they pushed him out. And Lori lastly slammed the door on him and locked it)

Lincoln:(hurt) No! (Bangs the door) Open up! Please let me in!!!

I'm sorry if I ever this way!
Just let me in! Please.....

(Suddenly, Lincoln's heart was broken. He feels abandoned by his own family getting kicked out the house. As broken as he felt on the inside, he began to cry. The pets came out through the doggy door feeling sorry for him)

Lincoln:(heartbroken) At least you guys and Lily care about me.....

(He continued to cry while banging on the door. He can feel his chest hurting and tears stteaming all over his face. He was shaking. He began to burn up as he starts to get angry)

Lincoln:(rage)(in tears) Fine!
If they'll start treating me like a monster, THEN I WILL LL BE A MONSTER!!!!!!! IMMA DO SOMETHING I SHOULD'VE DONE A LONG TIME AGO!!!!!!! THEY'LL BE SORRY!!!! (grinned) OR WE'LL THEY?

(It cuts to the Next Morning where
Lincoln wakes up and overhears his family talking)

Rita: Guys, I think what we did was wrong.

Lori: Yeah. Last year, we've done this before. No we don't wanna loose him again.

Luan: Lori's right. You know what happend last time when he ranaway. We promised him to do better.

Lisa:(shame) All he's done for us.
And we're treating him like this again.

Lucy:(shame) It's wrong.

Leni:(shame) It was the cruelest thing we've ever done. Accusing him for a scratch on the van.

Lynn Sr.: Guys. I guess we know what must really be done.
How about we let him back in the house again and make it up to him?

(The whole family agrees. And Lynn Sr. opens the door for Lincoln)

Lynn Sr.: Morning Son. I know you're hungry. Breakfast is out if you want?

(He was looking mad and silence not thinking about speaking to no one. Not even a single word.
They were looking at him confused. He went inside his room which was empty except for his mirror)

Lincoln:(discontented) (shakes a hair spray) Okay now, Lincoln.
No more Mr. Nice Guy.
Time for me to do something I've should've done a long time ago.
(He sprays at the fourthwall)

(It plays "Paradise City by Guns N Roses")

https://www.youtube.com/watch?v=ZXtRQP5VX30

(Lincoln begins to change look.
He first started of with his clothes,
then his hair, next he added tattoos on both of his arms, then he put on a gold chain, and he put on his sunglasses. Lastly, he changed his room putting hardcore stuff on his walls and everything around.
Now, he's
new and improved)

Lincoln:(cool) What's crackin?

(The whole family came upstairs.
Lynn Sr. knocked the door)

Lynn Sr.: Lincoln, son, I know you're in there.

(There was no respond)

Rita: Lincoln, Honey, we just wanna say that were sorry for what we've done last night.
And yesterday.

Luna: Please hear us out, bro.

Luan: We'll do whatever we can to make it up to you.

Lola: So if you ever had the way to let us in.....

Leni: And have it in your heart to forgive us, we would do anything to you.

Lisa: We will try to be a better
blood-relation you always wanted. Streetname, "family".

Lynn Sr.: So please let us-
(opens the door)

(The family became confuse looking at Lincoln facing the wall. Suspenseful music started playing)

https://www.youtube.com/watch?v=NmRySw3OiG0

Lynn Sr.: Who are you?

Rita: Yeah. And, where's Lincoln.

Lincoln:(contemptious)
You know, I was actually thinking the same question.

Lori: How come?

Lincoln:(contemptious) I wouldn't think it would come to this. Not to believe one thing.

Lucy: What?

Lincoln:(contemptious) You see..... Because.....(turns around) I'M LINCOLN!!!!!

(The family gasp as they were too
shocked even to look at the new apperance of their own, Son & Brother)

Rita:(shocked) L-L-L-Lincoln?!

Lincoln:(contemptious)
Sup, Mother!

Rita:(shocked) (runs to Lincoln and grabs his hands)
Honey, what did you do?! Your hair, you arms has tattoos, what are you wearing?! What's this?!

Lynn Sr.:(shocked) Son, what happened to you?!

Lincoln:(contemptious) (chuckles) What happened to me? Don't you understand? I'm now the monster you made. And, I will ruin you.....

(The family became scared)

Luan:(scared) Lincoln..... this.....
this isn't you.....

Lincoln:(contemptious)
This is me. Meet the new and improved me.

Luna:(scared) Dude. You're voice.
It's a little deeper.

Lincoln:(stubborn) It's been fixed is that a problem??!!!!

Lola:(scared) No.....

Leni:(shocked) O-M-Gosh!!! You're room!!!! It's all dark, bad, and and everything. It's awful!

Lincoln (Sheldon) (scoffs)
Story of my Life.

Lisa:(scared) Br- Brother, you don't have do this!

Lana:(scared) Lincoln, please!

Lincoln:(contemptious) Lincoln's not here anymore. Because of all the things you've done to him to make his life nothing but pain.

Lucy:(scared) Oh God.

Lincoln (now Sheldon): My name now, is Sheldon.

Lori:(scared) Sheldon?

Lynn:(scared) Lincoln, you don't have to change yourself.

Lincoln (Sheldon):(contemptious)
I said I'm not Lincoln, you dunce! (punches Lynn) And i can change myself whenever i need to. Don't judge me for how i look. Nobody's gonna stop me. Not even you guys. (pushes his family) Move! Out of the way!!!! (Leaves his room and clothes his door)

Lucy:(shame) What have we done?

Rita:(shame) We just turn our son to a monster!

(Lily then walks in the room)

Lily:(mad) You gwuys shwould be.
Hwave you not bween acting mwean to him like the pwast 10 months ago when he first randaway he wouldn't be like thwis. I hope you're wappy now.

(Lily left the room)

Luna:(shame) Lil Sis is right.
We just created a bully.

Leni:(whimpers) What are we gonna do?

(It cuts to Lori & Leni's room. Sheldon comes inside the room and took Lori's phone away. He took downstairs in the kitchen and took out the battery. Then, he closed the back on the phone.
He put the battery in a drawer.
As for the Lori's phone with no
battery. He takes out a hammer and broke it with a evil laugh.
Then, it cuts back to Lori & Leni's room. Lori started to look for her phone)

Lori: Where is it? I need to call my
friends.

Lincoln (Sheldon):(cruel) Knock. Knock. Looking for this?

(Lori got shocked as she heard Sheldon inviting himself in the room. She turned around and went crazy when she saw her phone all

broken in his hands)

Lori:(shock) Ahhhh!!!!!!
What did you do to my phone?!

Lincoln (Sheldon):(cruel)
I broke it. Your data is saved. Your battery is put away in the kitchen in of the drawers. But However, I smashed it with a hammer.

Lori:(shocked) (gasp)

Lincoln (Sheldon):(mean) Enjoy you're new life on a broken phone, Butthole! (chuckles)

(It cuts to the outside of the House
as Lori began to scream)

(It cut's to Lincoln's or (Sheldon's) room. And Sheldon grabs a pair of scissors, glue, and bird seeds.

Lincoln (Sheldon) : Alright. (cracks his knuckles) Let's start with the Tomboy and her Aristocrats.

Lana:(scared)(shaking) What gonna happen to me?

Lincoln (Sheldon): I'll show you in a minute.

Where did you find this?

Lincoln (Sheldon):(nonchalantly)
Oh, I made it myself. The usual.

Lola:(comfortable) But how did you make it feel so soft?

Lincoln (Sheldon) :(grins at us and looks back at Lola looking nonchalantly) Oh, that's easy. (smiles sinisterly) Look at every stuff animal around you.

(Lola looks around and got shocked looking at all her stuff animals)

(Somehow Lily doesn't get scared anymore)

Lincoln (Sheldon): Oh, Lily.
You know that I love you.
You're the only one who cares about me..... You're Lucky that i can't hurt you.....You're just a baby. (Kisses Lily on the head)

(He put Lily down and left the room. Lily knows that even though if her own brother has changed, it's still not him.
But in the end, she knows deep down Lincoln still has a heart)

(It cuts to the Kitchen. Lynn Sr. was making spaghetti. And Rita was working on a novel)

Lincoln (Sheldon):(offscreen)

Lincoln (Sheldon): Wassup, Gang!!

Clyde:(shocked) L-L-Lincoln??!!!!!

Lincoln (Sheldon): It's Sheldon, Clydesdale.

Zach:(shocked) Sheldon?! Sounds pretty general.

Clyde:(shocked) B-Buddy??!!!
What happened???!!!!!

Lincoln (Sheldon):(bad) The poor so- called family of mine kicked me out of my house last night. Left me in the cold. And sold all my furnitue. Again. Because of that, they made me look like this. They did this to me.

Rusty:(scared) D-Dude. W-why do you l-look like you're a b-bad kid.

Lincoln (Sheldon):(mean) Well get used to it, twerps! You're gonna get uses to me whether like it or not.

Zach:(scared) Man, where's Lincoln when you need him?

Lincoln (Sheldon):(mad)
I heard that! Lincoln's gone, you Redhead. So be it!

Stella:(scared) Guys, Lincoln would never be like this. This isn't like him.

Clyde:(scares) I know!

(The younger Loud Siblings have arrived)

Lana:(mad) Leave Clyde and his friends alone, Sheldon.

Lucy:(mad) Yeah. They did nothing to you.

Lincoln (Sheldon): Says who?

Lola:(mad) Says the younger Loud Sisters.

Lisa: Now Leave them alone or don't talk to us again.

Lincoln (Sheldon):(scoffs) Whatever. (walks away)

Clyde: Thanks for saving our butts, Guys.

Rusty: Yeah. We were lucky that he would've hit us for no reason.

His own friends.

Lola:(shame) I bet you're very disappointed at us aren't you?

Clyde:(disappointed) Very.
What happened anyway?

Lucy:(shame) We were all feeling guilty about what we did and we've tried to make it up to him.
But then it was too late.
It was our fault he'd change his name and started to act or look like this.

Lisa:(shame) So yesterday when he first changed himself, he started act so mean, cruel, suspicious, hateful, and sinister towards us.

Lana:(sad) And he tortured us too. He tied my tongue with my frog Hops.

Lucy:(sad) He broke poor Edwin.
And hit me with a plunger and dumped my head into the toilet.

Lola:(sad) He made me a soft, cute sweater, out of all the stuff bears i had. Then, he danced with me and threw me into a mud puddle.

Lisa:(sad) And he destroyed all my experiments.

Stella: You guys pretty deserved it.
But he don't got to do it like that.

Zach: Yeah. That's way harsh.

Lana: I know. And now we gor a bully in the house. You guys can be mad at us all you want.

(The younger sisters left in shame but Clyde stopped them)

Clyde: Wait!

(The sisters turned around)

Clyde:(disappointed)

We're kinda mad for what you guys done. (smile) But we see that you guys are feeling guilty about you're actions. So if worth trying to get Lincoln's trust back and change him back to normal, then we forgive you.

(Clyde and his friends all have the sisters a hug. And broke the hug)

Lola:(smile) Thanks, Guys.

Stella: Our Pleasure. Trust me.
We wanna help to. Imma also let
Ronnie Anne know about this.

Lana: Good.

Clyde: We'll all have Lincoln back to normal again. We Promise

The Revenge

(It cuts to Lori and Leni's room.
They were having a family meeting in shame with the door locked.
Lori bang the tables with her shoe)

Lori:(sad) Well guys, you all know why were here?

Lynn:(shame) Yeah. To discuss our brother's new behavior and the way he looks now.

Lola:(shame) Yeah. Because of us.

Lana:(shame) Have we not got a dime to pick fingers on him for no reason, he wouldn't be like this.

Luan:(shame) This definitely isn't like Lincoln at all.

Leni:(shame) It really isn't.

Lori: Have he done anything bad to you guys?

Everyone:(except Lori) Yes!

Lori:(frowning) He literally broke my phone. (Shows everyone with her broken phone in zip-line bag)

Everyone:(except for Lori) (gasps)

Leni:(sad) He ruined my dress I was making. (Birds poking on her) Ow!!!!!/Stop!!!!

Luna:(voice breaks) He broke my axe. (guitar strings sticking out)

Luan:(crying) He broke poor
Mr. Coconuts.

Lynn:(holding and Ice pack)
He beat me up with a bat.

(Puts the Icepack on her head)

Lucy:(sad) (wet) (wearing a towel around her waist) He broke Edwin and hit me with a plunger dunking me into the toilet.

Lana:(rubs her tongue) (digusted)
He tied a knot on my tounge with Hop's.

Lola:(smiles)(rubs the sweater)
He gave me this beautiful soft sweater..... (sniffs) (frowns) (cute tear-eyed) Not noticing that he made it out of all the stuffing from my stuff animals!!!!! (crying)

Lisa:(shame) (takes out a wiper and wipes her glasses) He threw a ball at my experiments causing it to explode.

Lynn Sr.:(sad) He threw tomatos at me and then i slipped and hurt my arm. (shows everyone his casted arm)

Rita:(tear-eyed) He hit me with a frying pan! And burned my novel i was working on.....(cries)
This is all our fault. We've turned our son into a mean, harsh, cruel, evil, jerk. Matter of fact, we have turned our only son into a monster.

Lynn Sr.:(tear-eyed) We're a terrible family. We didn't force him to change like this.

Leni:(sad)(sigh) Think about how he's gonna treat Clyde, Ronnie Anne and his other friends. It's okay if they can be mad at us all they want. But their gonna be so hurt when they find out about what he's doing to himself.
The things that happened today is what we deserve for what we've done since he came back. I mean seriously, look at us. We're the real monsters.

Lynn:(tear-eyed) It seems like we just made him considered to become a bad person.

Lucy:(sad) Not to think he would really be bad on the outside.

Lori:(sad) When we all know he's a good person on the inside.

Lola:(sad) What should we do?

Lana:(tear-eyed) We need to fine a way to get our Brother back.

Luan:(sad) But how?

Lisa: How about we can convince him with a little heart-to-heart talk.

Leni:(nervous and hesitant)
That's great. But after what happened days ago and today,
I don't think he's in the mood to talk to any of us about this.

Luna: I don't see what's anything to be nervous about. How hard could it be?

(It cuts to Lincoln's room.
The family was looking at him all nervous while their son and brother was waiting for them to speak up)

Lincoln (Sheldon):(sinister) Well.....you guys said you wanted to talk to me.

Leni:(concern) L- Lincoln?

Lincoln (Sheldon):(cranky)
It's Sheldon!

(The family looked at each other nervously)

Leni:(nervous) I-I-I mean Sheldon.
(Sigh) We just wanna say that you should call this off you know?
The things you did to us today,
we've deserved that but it felt like it was too abusive. Can't we just go back to-

Lincoln (Sheldon):(furious) NO!!!

(Leni gasp as the family back away alittle bit looking all shocked)

https://www.youtube.com/watch?v=MI2wq39BPFo

Lincoln (Sheldon)(suspicious):
(scoffs) Do you really think convincing me would change me back?

Lincoln: No. Not at all.

Lincoln (Sheldon):(stubborn)
Well, guess what? You guys are just dreaming? You know that?
Like as if it's gonna happen.
Lincoln's even not here. Why should I even care anyway?
If you wanna get uses to me,
GET A LIFE!

Luna:(determined) Dude! What is you're problem? We apologized earlier today and all of a sudden you're acting a huge grouch. That's even worser than Mr. Grouse's attitude. Sheldon or Not, you're still our brother.

Lincoln (Sheldon):(stubborn)
Well, what did you guys expect? You guys are the ones who made me this way. Lincoln or No Lincoln, he's gone!

Luan: That's no reason to act so coldblooded, cruel, hateful, nasty and mean to us like you're a crininal.

(Sheldon came infront of Luan and grabbed her by the collar)

Lincoln (Sheldon) (stubborn)
Would you like reapeat that?

Luan:(choking) N-No.....

(Sheldon let got of Luan as she gasp and pants making her breath)

Lincoln (Sheldon)(mean)
All of you are just so pathetic!
All the mess you've done to Lincoln and look what you've done. And you guys thought that
just saying sorry and with regret will make me forgive. That's so completely useless. You're all just weak. Don't you know what it feels like to be push away, abandoned, and feeling alone like you're own family is against you?
It's really stressing for me to forgive you.

(The family starts to feel more guilty)

Lincoln (Sheldon)(suspicious)
Do you know what I've realized? You guys never cared about how I felt. You guys never loved me. (chuckles) Funny Isn't it?

Lynn:(sad) No.....Not at all.

Lincoln (Sheldon):(suspicious)
It's too stupid to believe that you guys left me outside last night to tear me apart. Maybe you jerks now know what it feels like.
It took you guys too long to wake up and pay attention to my true feelings. No wonder how my heart feels so broken. (Hold his chest tightly) Can't you feel it?
It's aching from all the pain you gave me. It hurts so much. I couldn't be weaker. It's cold, it's hard. And you guys think i would forgive you for that. (lets go of his chest) The mistakes that be happening over and over again.
When i first ranaway from home,
what have i always told you about you're actions.

Lana:(scared) To w-watch over them.

Lincoln (Sheldon):(mad) So why wouldn't you guys do that?

(Everyone just stayed silent looking scared and Lily just started wimpering)

Lincoln (Sheldon)(mad): See how you wouldn't bother to answer my question? Because I'm nothing but a threat. Which is why the door will stay closed. Because I'm about to start my plan to put you guys in real danger. (Looks at them sinisterly) Starting right now, you wouldn't even have nobody to
save you. Because this is will be the last time you're you'll see this house. Nobody's gonna remember you..... And you're gonna be stuck with me.....FOREVER!!!!!!

(Before he can even start harming his own family, Clyde came at the right time kicking the door open)

Clyde:(intelligent) (offscreen)

Not if i have something to say or do about it.

Loud Family:(glad) Clyde!

Lola:(glad) Thank goodness you're here.

Clyde:(intelligent) Lori told me everything what happened.

Lincoln (Sheldon):(suspicious)
Would you please leave and keep out of this, Four-Eyes? This is between me and my so-called family.

Clyde:(intelligent) Four-Eyes?
Who do you think you are calling me that? And I'm not going anywhere. This is not the best friend i know and love.

Lincoln (Sheldon):(scoffs)
You think i need you. I don't need you. Years ago i was fine before i met you and I'll be fine after.
I wish we were never friends in the first place.

(Clyde was hurt about what he said to him and the family was shocked)

Clyde:(shocked) (hurt)
What did i do?! I stood by you're side.

Lincoln (Sheldon): Maybe. But to me, you're too late.

(This hurted Clyde's feelings.
However, he never gave up on him)

Clyde:(hurt) (intelligent)
This isn't you, Lincoln. Don't do this.

Lincoln (Sheldon):(mad) Why should i care. Nobody's gonna stop me. I'm gonna get my revenge rather you like it or not.
Starting with this girl. (Pulls Lola's hair)

Lola:(scared) Hey!

Lincoln (Sheldon): Looking like she's Jonbenet.

Lola:(scared) Let go of me!

Lincoln (Sheldon): Never!
(takes out a knife) I'm going to cut your hair into shreds. You'll be sorry.

(Lola pushes her brother and ran downstairs and everybody was shocked as they were watching her and they followed her and he was chasing her)

Lincoln:(suspicious) Get back here, you Scoundrel!!!!!!!!

(Everyone was in the kitchen.
Looking all shocked at them)

Lola:(scared) Please don't do this!
Clyde's right. This isn't you.

Lincoln (Sheldon):(mad) Forget about it. I'm already the son and brother you all wanted. And now, nobody's gonna stop or change me. There's nothing you can do about it. (Lola avoids her brother cutting her hair as he tries to pull it tight) Hold still!!!!!

(As Sheldon hold the knife next to Lola's hair, he grabbed Lola by the collar and tries to cut her hair before he could do that, he dropped her because he was about to hit the fridge and a glass jar just hitted his head)

(Sheldon frozed as people looking at him shocked and confused. Then, he collapsed into a coma)

Luan:(shocked) Oh dear.

Clyde:(shocked) Wow.

Lori:(shocked) Oh my gosh.

Rita:(shocked) Wait. What just happened?

(Everyone shrugged as they continue to look at Lincoln injured)

(It cuts to the outside of the house.

The abulance was there. Lincoln was on a stretcher being taken to the hospital. Clyde was sad just looking how his friend turned out to be. Especially became very heartbroken about their affection of their friendship. Everyone else was guilty)

Lynn Sr.: Is he gonna be okay?

Ambulance Worker: He will
be alright, Sir. He's gonna be back with you in 2 days.

Lynn Sr.: Alright Thanks.

Ambulance Worker: No problem.

(The ambulance worker went back inside the Ambulance Van and left. Then, the family start to blame themselves)

Lori:(in tears) (sniff) This is all our fault.

Leni:(in tears) Yeah. We did this to him.

Luna:(in tears) And now he's at the hospital. Because of us.

Lynn Sr.:(sad) Don't worry folks the doctor says he'll be back home in 2 days.

Rita:(in tears) I hope.

Lynn:(sad)(sigh) Maybe we are a bad family after all.

Clyde: Guys don't be hard on yourselves. I know it was very harsh for what you guys did during the past 10 months.
But don't worry. We'll get our Lincoln back. I know we will.
As long as we don't give up.
We will all fix this together. Understand?

(The family agreed with Clyde and gave him a hug)

Clyde: We will do this. The right way. I promise.

(It cuts to Clyde at his house with Ronnie Anne on his phone)

Ronnie Anne:(shocked) He what?

Clyde: He hit his head when a glass jar fell down from the fridge. And a got him in a coma.

Ronnie Anne:(shocked) Geez.....
Is he okay?

Clyde: He's fine. They said he'll be back in 2 days.

Ronnie Anne: You know what? I'm gonna be with you guys. I wanna help too.

Clyde: Good. Whenever you're ready, you can come on down and help change Lincoln back.

Ronnie Anne: I will. I'll be there by later on this evening. I'm also taking Bobby with me.

Clyde: That's cool. But are you sure you can handle this?

Ronnie Anne: Look. I didn't came to Royal Woods for nothing. We've known each other for years now. We've went through this before when he ranaway, and were gonna go through this again. This mess already happened before. But not like this.
We've got Lincoln back last time, and i know were gonna get him back this time. I promise.

Clyde: Thanks, Ronnie Anne.

Ronnie Anne: Oh. It was Nothing.

Clyde: Well. I'll see you later, then.

Ronnie Anne: Okay, Bye.

Clyde: Bye.

(Clyde hung up his phone)

Clyde:(sigh) Lincoln, please change back.

(It cuts to the Hospital. Lincoln is inside the room, where he is still in his sleep. While that's going on, he's having a dream. In the

dream, he's all alone until he found a mirror. He looked at it for a while showing himself in his new clothes until he thought of one question)

Lincoln:(shocked) (thoughts) Who am I? And what happened to me? Why am i wearing this?

Unknown: How can that be possible anyway? I should be the one asking that.

Lincoln:(neutral) What made you ask?

Lincoln (Sheldon):(chuckles) It's funny for how you're lame family ended up feeling guilty from being such a bunch of mediocres to sorry little wimps.

Lincoln:(determined) Come out and show yourself!

(So the unknown person came up to Lincoln. He almost looked just like him. But he's different. It revealed to be Sheldon)

Lincoln (Sheldon): I'm you. But, you can call me Sheldon. I'm the new you.

Lincoln:(shocked) You're not me.

Lincoln (Sheldon):(sinister) I am now. Until you're willing to change back. Why bother? You don't even know who you are.

(Dramatic music plays)

https://www.youtube.com/watch?v=7hqJt6JQGxM

Lincoln: What are you talking about?

Lincoln (Sheldon)(mean): See how obvious to know why you're so clueless. And you're wondering why you're family treats you like crap. YOUR SO PATHETIC!!!!!

Lincoln:(determined) You don't know nothing about me. Or my life. You don't how i feel.

Lincoln (Sheldon): I don't know. Don't you get it? I may look like you. But I'm not you. I'm you're worst nightmare. And I'm not just yours. I'm the new monster you're family created.

Lincoln:(confused) What do you mean?

Lincoln (Sheldon): You're already one.

Lincoln:(shocked) What?

Lincoln (Sheldon): Look in the mirror.

(Lincoln turned around and looked act the mirror. He gasped as he became shocked of his new appearance. He turned around back to Sheldon)

Lincoln (Sheldon):(mean) See how hard this situation gets. You just made a huge mistake. Just because someone relative to you doesn't turn you in and you become one of them. A bad person. Which represents me. What a fool you are to think that.

Lincoln:(neutral) No! You're wrong. I may look like you now but this is not me. I'm doing this for revenge. Not like that. But for them to pay back. Because of all i went through. They made me this way! A monster!

Lincoln (Sheldon): (neutral) And you thought this will help you. Sure it's you're family's fault, you're like me now but guess what? You did this to own self. You're making it difficult for yourself. Admit it Lincoln.
You're nothing. I can even be the new Lincoln. I will take over your life.

Lincoln:(determined) You may right. It's my fault too. They've made look this. But i made myself like this too! I may be wrong. But i never gave up on myself or my family. It didn't matter how much i was worth it! I always made mistakes like they did! Because that's exactly what family is worth for. Families stick together. That's the type of love they always had for me. Just because of what the mistake my family made, i have the right to be made at them. But it doesn't mean i hate them. I don't cruel things like you did to them. I

may not be the person i am, but I'm still here!!! It doesn't matter how it my new behavior changes me. (walking towards Sheldon) I may not know who i am but, on top of that, I'm here!

Lincoln (Sheldon):(shocked) What? (walking back) But- I

Lincoln:(contemptious) You don't know what you're getting yourself into! You will never be or change me! Ever!

(Sheldon became so sinister he something suddenly came to his mind he wanted do to make him feel discourage about himself. However he gotten his way)

Lincoln (Sheldon):(sinister) Oh really. (chuckles eviliy) Let's see about that.

(Sheldon grabbed a ball and threw on a ground and it exploded and changed the background from being blank to a street. And it was night. He is now wearing his regular clothes. He suddenly hears a familair person screaming for help)

Unknown:(screams) Ahhh!!!! Help!!!!

Lincoln: Hey! That sounds familiar.

(runs to where the scream was located)

(After finding out where the scream came from, he found Ronnie Anne all terrified and scared, still screaming.
He was shocked when he saw someone in a black sweater hitting trying to hurt her. But when Lincoln was about to punch the guy, he turned around and grabbed Lincoln's arm and revealed him self. It was Sheldon but he had his hair just like the real Lincoln. Lincoln became shocked as his new self punched him back. Then Ronnie Anne, ran away. The 2 look alikes kept fighting and and fighting until Sheldon threw Lincoln to the wall making him feel defeated. Then he clutched his hands and walked closer to him. The last thing he did was that he scratched Lincoln on his face. And the nightmare ended. Lincoln woke up in a heartbeat all shocked, scared, and confused. He gasped as he calmed down. As he finished taking breaths, he felt calm. But was shocked to begin with one word)

https://www.youtube.com/watch?v=Y4f6dCkfbw0

Lincoln:(shocked) Woah.

(It cuts to the Loud House.
And Lori just drove back to the house and parked the car. She came in with Bobby, and Ronnie Anne)

Lori: Guys, were back. Say hi to Bobby and Ronnie Anne.

Loud Family and Clyde: Hi Bobby, Hi Ronnie Anne.

Bobby: Hey Louds. Clyde.
Nice seeing you guys again.

Rita: Thank goodness you're here.

Leni: Nice seeing you guys again too.

Lana: What bring you guys here?

Ronnie Anne:(livid) Clyde called me on the phone and told me that guys were mistreating Lincoln for no reason in harsh ways again.
Is that true?

Lynn Sr.: Yes. Yes it is. We were just gonna talk to you about that.

Clyde: Alright. Well, let's go then.

Ronnie Anne: Right.

(The scene fades to a clock ticking and then fades to everyone in the living room talking about how
the whole situation started)

Ronnie Anne: So. How did this happen? What did you guys do to him this time?

Lori:(sigh) Okay. So it all started when Lincoln just came back home after hanging out with Clyde at Gus's Games and Grub.
And then, we accused him on purpose just for making a scratch on the Vanzilla for something he didn't do.

Lynn Sr.: But then it turned out to be a racoon. So after that, he got upset and stayed upstaira for a few hours calming himself down.

Rita: And somehow, he began to ignore us because of how angry he was that we accused him.

Lynn: After all of that, we kicked him out of the house and sold all of his stuff. We also wrecked his stuff. We felt very guily about what we did.

Luna: We wanted to apologized to him and make things better.

Lucy: But he was so hurt that he he started act so bad, mean, hateful, and cruel. He was dressed like he was a bully.

Lana: Not only that, he tortured us. And he almost would've tortured his own friends.

Lola: And earlier today, we was thinking a way he could change back. But then Clyde came in before her could tortured us.

Lisa: Things were so crazy until he basically hit his head in the kitchen and got into a coma.

Luan: And that's what happened.

Ronnie Anne:(disappointed)
Once again, you continued to be fhe terrible family you are after everything that barely happened months ago. What have we told you about those actions?

Lana: To look after them.

Bobby:(disappointed) So why can't you do that? Just why?

(The family was going to say something. But they're way too guilty to explain)

Clyde:(disappointed) That's right.
You guys have nothing to say.

Bobby: But Because you guys been through so much torture for one

day, we're gonna help you change him back. And you guys owe him alot than an apology.

Lynn:(guilty) We know. And thanks to us, it's our fault he's like this. The Lincoln that's not the one we truly know and love.

Bobby:(dissapointment)
And as for you Lori, some you're going back to treating him like the same selfish sister you were, I'm breaking up with you. Again.
End of discussion.

(Lori became sad and sighed in guilt)

Lori:(guilty) What else should I say, I deserve it. Be mad at me all you want to, you can block me as long or decline my calls as long as you want.

Ronnie Anne:(disappointed)
Just so you'll know, we won't forgive you.

(The family looked down in shame)

Ronnie Anne:(smile) But, we will help you.

Rita: Wait really?

Bobby: Well duh! Why did you guys think we've came all the way here for. Just because were disappointed doesn't mean it could be worth it to let you guys go through this alone.

Ronnie Anne: We're still mad at you. We all wanna help you guys change him back.

Leni: That's great. But what can we do? He can be released out of the hospital any minute now and try to hurt someone else.

Luna: She's right, Dudes. It can be anyone. There has to be a way we can stop him. You know Lincoln would be good at this stuff. After all, he's the man with the plan.

Ronnie Anne: Well. In case if he does get relased from the hospital, why don't we just secretly follow him and see what he's up to.

Without him seeing us.

(Everyone gasp)

Ronnie Anne: Or unless if he ever tries to hurt someone else, then that's a different story. We can probably leave alone for a few days but that wouldn't work either.

Clyde: But how are we doing this?

Lynn: How will this even work?

Ronnie Anne: You see, the plan is that were not forcing him to change back and there's no way either. That's for us to fix on our own. It has to be something that's gonna make him wanna be himself again. But he will not know about this. Trust me..... He's gonna realize this because we love him. Were gonna do together. I know we can.

Later that day.....

(It's past noon. And everyone is watching TV. The phone began to ring in the living room)

Rita: I'll get it!

(Rita answers the phone and it turns out be Harold)

Rita: Hello?

(Telephone sounds)

Rita: Well Hi, Harold. What's happening

(Telephone sounds)

Rita: Mmm-hmm/Yeah/Okay.

(Telephone sounds)

Rita: Okay. See you when you get here. (Hangs the phone)

Lynn Sr.: What's going on Honey?

Ronnie Anne: Is everything okay?

Rita: Kids, you're gonna have to stay upstairs in you're rooms.
Clyde's Dads will be here to talk with me and you're father.
Clyde, I suggest you put you're shoes on because you could be going home. So just in case if they're here, you're ready.
When were finish talking, we'll call you downstairs.

Clyde: Okay.

Lynn Sr.: You guys can go.
When they get here you will stay upstairs in you're rooms until we tell to come down. Understand?

(The kids nod their heads in agreement)

Rita: And make Bobby, and Ronnie Anne feel feel like home.

(The kids began to walk upstairs)

Luna: You got it.

(Later, Rita was sitting on the couch for a minute until someone rang the doorbell.It was the McBride Parents who came inside greeting the Loud Parents)

Harold: Greetings Mr. and Mrs. Loud.

Rita: Hello, Howard, Harold, come in and have a seat.

(The McBride Parents went to take a seat on the couch. Lynn Sr. came in the house with cups of coffee)

Lynn Sr.: Care for some Coffee?

Howard: Why Certainly.

Harold: Thank you.

Lynn Sr.: My pleasure.

(The Loud parents began to sit in the couch to start they're conversation)

Rita: So you said you wanted to tell us something?

Harold: Rita, Lynn, we would like to discuss something with you Clyde told us something that's regarding of your son.

Lynn Sr.:(shocked) Okay?

Howard: Clyde came home from school 2 days ago telling us that Lincoln's recently been threatening and bullying him for no reason. Including his friends.

Rita:(shocked) What?

Lynn Sr.:(shocked) When?

Howard: This happened recently in school. And he's been very upset lately until he came by you're house about something that happened regarding Lincoln between you and his sisters.

Harold: He told us that he was completely out of control.
Would you care to explain what or how it happened.

Rita: Well, Yes. He's been out of control lately since we've first accused him for something he didn't do on purpose and kicked him out of the house after we've sold his furniture and he was beaten up by his sisters.

Lynn Sr.: He was crying outside and everything. I guess he was so broken up that he tagged into fury. So the next morning, he woke up and never spoken to any of us at all. He ignored us and went staight upstairs. (sighs in guilt) And because of us he changed himself into a pyscopath.
The way he acts and behaves towards us now is like he's not our son anymore.

Howard:(disappointed) That really sounds like a harsh way to handle things. And just for something he didn't do. You guys should be ashame of yourselves.

(Rita and Lynn Sr. began to frown in shame)

(Emotional music plays)

https://www.youtube.com/watch?v=qHHMY9aL7m0

Rita:(shame) Sadly we are. We've took it way too far way to far with him include with school and he was so tired and stressed that he just no longer couldn't deal with it anymore.

Harold: What do you mean?

Rita: Lately, H-He's been..... very
.....abusive.

Harold: Oh?

Lynn Sr.: D-.....Dangerous.

Howard: Hmm?

Rita: Suspicious, Mean.

Lynn Sr.: Hateful, Threatening other people including the innocent.

Rita: And Violent.

(The McBride Parents looked at each other in shocked before turning their faces back to the Loud Parents)

Howard:(shocked) Wow.

Lynn Sr.: He's been chastising both us and our daughters.
He's not even being himself the way he used to be. But somehow he bumped infromt of the the refrigerator and hit his head real hard, a big glass jar hit his head, made him collasped and put him on consciousness.

Harold: That's terrible.

Rita: We know. But tomorrow were going to the hospital to check on him.

Howard: That's good. I hope he's okay.

Lynn Sr.: He will be. And don't worry. We've got our son back before. Were gonna get our son back again.

Howard: We hope you make things right with him.

Harold: Good luck.

Rita:(calls out) Clyde! You're Dad's are ready.

Lynn Sr.: May we tell you one more thing before you leave.

Harold: Why certainly.

Rita: Just in case after Lincoln gets out the hospital, if he comes to you're house and tries to hurt you, call us immediately.

Lynn Sr.: Please! We will come over there if anything happens with him. Because he's more dangerous than he seems.
Let us know. We will find out.
Understood?

Howard: Oh yes. The person he became is not like him. And we will.

(The McBrides began to head out the door)

Clyde: Alright, Mr. and Mrs. Loud.
See you guys tomorrow. (waves goodbye)

Rita: Alright. Bye Clyde, Howard, Harold.

Harold: Good Day. (Closes the door)

(The Loud Parents sighed in shame)

(It cuts to the Loud kids and the Santiago kids in Lori and Leni's room)

Lori: Alright, guys. Lincoln will be home in 1 day and we still need to figure what to do when he comes
back. He's literally angry as a crockpot.

Luan:(shame) Boy, have this family gone mad? (shook her head in disagreementL

Lynn:(shame) Well what can we say? We pretty much deserve it.

Lucy: What can we do?

Ronnie Anne: How about we leave him alone or stay out of his way for a while until he calms down for a while? But until then, we there's nothing else we can do.
Unless...

Bobby: Unless What?

Ronnie Anne: We can try to stop him without him knowing.

Lori: But how?

Ronnie Anne: We can either sneak up on him without him seeing us,
or try to make things up to him.

Lana: How?! He'll keep saying nothing's going to work.

Ronnie Anne: Look, we all want the real Lincoln back, right?

Everyone:(except for Ronnie Anne) Right.

Ronnie Anne: And you want everything back to normal, right?

Everyone:(except for Ronnie Anne) Right.

Ronnie Anne: Maybe if we not only convince him, but we prove to him and show him how much we care he might act little softer.
No matter how violent he is.

Lola:(frown) Are you really sure acting nice to him and showing him love is a good idea? He's dangerous than you think.

Ronnie Anne: Relax, Princess.
Were just giving this a try. And if that doesn't work out, were gonna try something else.

Lori: Well if that's the case, let's hope this works, but until then, we are dismissed. (Bang the desk with her shoe) (Everyone leave except for Ronnie Anne) Ronnie Anne? (grabs Ronnie Anne's shoulder)

Ronnie Anne: Yes?

Lori: I hope this works.

Ronnie Anne:(frown) Me too. It's all I can think of right now.

Lori:(frown) (sigh) Yeah.

(They paused for a few minutes until Ronnie Anne began to speak as she frowned)

Ronnie Anne:(frown) I just- I just hope he's okay. I'm afraid to see what he now looks li-

(Lori hugs Ronnie Anne in comfort but Ronnie Anne pushes Lori)

Ronnie Anne:(frown) Why should you be hugging me for? (tears up) You and the rest did this to him! You're the reason why he's changed in the first place! (runs of the door upset)

Lori:(tries to stop Ronnie Anne)
Wait! (feels guilty) Oh Lincoln..... What have we done? Her heart will be broken she sees you.
(Left the room)

(It cuts to the Hospital. Lincoln known as Sheldon, woke up in his bed. There was a nurse in there. He starts to sound a little confused)

Lincoln (Sheldon):(groans)
Where am I?

Nurse: Why young man, you're at the Hospital. Lincoln Loud?

Lincoln (Sheldon):(groans) (rubs his eyes) (suspicious) It's Sheldon. But yes. What happened to me?

Nurse: You got into a coma after you bumped in front of your refrigerator and was being hit hard by a glass jar. However, if it weren't for that head of yours, you would've lost your memory.

Lincoln (Sheldon): I almost had memory lost?

Nurse: Yes. And first thing by tomorrow, you'll be back home.

Lincoln (Sheldon):(makes evil smile) Oh really?

Nurse:(timid) Y-yes. And someone sent you f-flowers.

Lincoln (Sheldon): Who's it from?

Nurse: Someone namee Clyde.
He visited you while were asleep.

Lincoln (Sheldon):(mean) Clydesdale is not longer considered as my friend anymore.
Throw them away.

Nurse:(timid) Th- These are new flowers.

Lincoln:(mean) Get……Rid……Of…… Them.

(The nurse put the flowers away)

Nurse: You need anything?

Lincoln (Sheldon): A glass of water, please.

(The nurse poured a glass a water and sat on Lincoln's bed to give it to him. He suddenly splash the water at her face and grabbed her collar)

https://www.youtube.com/watch?v=wOYyu6ZKOUY

Lincoln (Sheldon):(surly)
Listen Woman, you can be afraid of me all you want. But I'm not gonna stand here and wait for another day! But if you don't release me immediately, I will do something NOT NICE!!!!!!!
YOU HEAR ME??!!

(The Nurse ran out of the room in fear as she started crying)

(Lincoln was suddenly starting feel his normal tendencies. As his behavior was starting to act weird
changing back and fourth)

Lincoln (Sheldon):(shocked) Wait! Come back! I didn't mean
(Covers his mouth)

(Not knowing how strange from the cause between his new and regular behavior, Lincoln began to feel a funny feeling inside where he starts to feel like he's trapped inside his own prison.
He somehow became a little scared. But that doesn't mean he's back he was. And that's when he thoughts something was going suspicious)

(It cuts to the sunset at The Loud House where the Louds and the Santiagos were sitting on their chairs for dinner at the table as Lynn Sr. comes out the kitchen)

Lynn Sr.: Alright guys.
Tonight's Dinner, Lynnsagna.
(Puts the Lynnsagna on the table)

(Everyone stood in line to get Lynnsanga on their plates and then their sat back down in a sigh then they ate quietly. Ronnie Anne was a really sad to even take another bite of her plate. So she stands up as she began to speak up)

Ronnie Anne:(moody) (sigh)
You know what, I don't think I can be hungry at this time.

Lynn St.: Why? You don't like?

Ronnie Anne:(sad) No. I like this Lasagna. It's really delicious.

Bobby: What's wrong sis?

Ronnie Anne:(frowns) It's just not the same without Lincoln.

Luna: Of course it isn't, Brah.

Lynn: We sure did went through a lot.

Lola: If only we wouldn't of done harsh stuff to him.

Luan: And none of this wouldn't of been happening.

Ronnie Anne:(upset) That's easy for each of you to say. (banged the table) Speaking of him, it's really lame to think I would sit here with a bunch of jerks who would treat him so harsh and cause him to change his own personality in the first place! (banged the table)

(Ronnie Anne left the table in frustration and head upstairs to the bathroom and went into Lincoln's room as she shut the door)

Rita: What's going on?

Leni: Is she okay?

Bobby: I'll go up there and talk to her. I know what she's upset about. (Leaves to check on Ronnie Anne)

Lana: What just happened?

Lori:(neutral) I think she's frustrated about Lincoln.

(It cuts to Lincoln's room where Bobby comes in and locks the door. Ronnie Anne was really frustrated they she began to pack her stuff in anger. Suspense music plays)

https://www.youtube.com/watch?v=tZ5FodI0CYE

Bobby:(shocked) What are you doing?!

Ronnie Anne:(angry) What do you think i'm doing? Packing my stuff! What's the point of helping them if they're gonna keep treating Lincoln the same way after what happened?!

Bobby:(shocked) Please! Don't do this!

Ronnie Anne:(angry) Just leave me alone! Get away from me!

(Bobby grabs Ronnie Anne's shoulders just until she gets his attention)

Bobby:(shocked) No! I can't let this happened! Let me help you!

Ronnie Anne:(angry) Go away!!

Bobby:(shocked) (shakes Ronnie Anne for his attention) Calm

down! Look at me! Look at me.

(Ronnie Anne does that as he keeps talking to her)

Bobby: Now close your eyes.

(Ronnie Anne closes her eyes)

Bobby: Just breathe.

(Bobby takes one of his hands off her shoulder and put it on her chest right where her heart is.
Ronnie Anne's heart was beating very fast. Bobby then begins to breathe along with her)

Bobby: Do exactly as I'm doing.

(Ronnie Anne continued to breathe as her heart began to slow down)

Bobby: Good. Just keep breathing.

(Ronnie Anne continued to breathing. Just slowly inhaling and out haling her breath. She starts to feel calm. Her heart was beating normally. She continued breathing. She could just feel the peace from her brother's support and comfort attempting to calm her down. Finally she felt calm. Her anger was no longer in control)

Ronnie Anne: Wow. Thank you.

Bobby: You're ready to talk about me what's wrong?

(Lori comes upstairs. She stopped as she heard Ronnie Anne and Bobby's next to Lincoln's door and begins to listen)

Ronnie Anne:(sigh) I'm really sorry, Bobby. (in tears) It's just,
I can't see Lincoln this way if he's gonna start treating people so mean. I never felt l like this before but, I'm afraid of how he's going to treat me. I don't know how am I going to forgive them after what they did to him. (tears streaming down) I don't know how were ever gonna get Lincoln back.
Might as well just give up and go home and forget everything we'd

had in our friendship, our own relationship, our lives.

(Lori felt shattered after she heard the negativity out of Ronnie Anne's mouth. Little did she know that Ronnie Anne and Lincoln are very close. Hearing from Ronnie Anne made her so ashamed of herself even more)

Bobby:(kneels down) Awe.....
Hey. Don't think like that, Sis.
Were gonna get Lincoln back no matter what. (Puts hand on shoulder) And if we want Lincoln back, then we're gonna have to work this out together.
So No matter what, I'm sure he'll still be your friend. Im sure he'll still love you. Were gon na get through this. Okay?

(Ronnie Anne stood in silent as she shook her head in agreement as she began to cry softly and quietly and Bobby hugged her tightly. He began to comfort her
rubbing her back and kept her in his arms for a couple minutes. Lori was sad to know that Ronnie Anne was feeling this way. She became more guilty as she got tears in her eyes)

Lori:(ashamed) (in tears)
Oh Ronnie Anne.... What have I done? (head downstairs)

(It cuts to downstairs and everybody is on the couch except for Ronnie Anne. It was 30 minutes after dinner. They're were all thinking about her)

Rita: Is everything okay with, Ronnie Anne?

Bobby: She's fine. I'm sorry that happened. She's just upset about Lincoln. She almost tried to pack her stuff up. But everything is taken care of. She'll be down in a minute.

Lori:(shame) I feel really bad for her. They're really close friends. You can imagine what happens when she sees him tomorrow.

Lucy: Yeah. It's not like she's not gonna like him anymore because of the way he is right now.

Lana: Nothing could ever destroy their relationship.

Bobby: And that's why were here to help. Lincoln is our friend. Ronnie Anne wouldn't give up on him if it weren't for him doing the same for her. I know she's disappointed about what all of you guys done, including you Lori. But maybe she just need some space for now until we work this out together.

Lori:(guilty) She's probably mad at me. She probably has to right to be mad at me.

Leni: What makes you say that?

Lori: You guys don't understand.
Me and Bobby's relationship was the reason why they got along in the first place. Sure she used to bully him. And she first kissed him at the buffet we went that one time. But I guess before you guys moved, they must've had great memories together. I think it's pretty unique seeing these two together.

Bobby: I agree. They treat each other like the brother or sister they've never had.

(Ronnie Anne came downstairs to the others)

Ronnie Anne: Hey guys.
Listen. I'm sorry if I was frustrated or angry at everyone.
I was just afraid of how Lincoln's gonna be like when I see him.
But say no more. I'm gonna help get Lincoln back and I'm not leaving until things are back to normal.

Luan: So you're not leaving?

Ronnie Anne: I didn't came here for nothing. All that matters is that were gonna get our Lincoln back.

Everyone:(except for Ronnie Anne) Yes!!!

(Ronnie Anne's phone rung. It was Clyde)

Ronnie Anne: Hey Clyde. What's
going on?

Clyde:(terrified) (on phone)

You guys have to help me right now!

(Suspense music plays)

https://www.youtube.com/watch?v=ZnnS2N4KAkI

Rita: What's happening?

Lana: Why is he screaming?

Ronnie Anne:(concern) What's wrong, Clyde? Are you okay?

Clyde:(terrified) (It's Lincoln!
He tied me andmy Dads! And he's going to try to do something very harmful to us!

Everyone:(shocked) WHAT?!

Lisa:(shocked) Wait. How did he get out the hospital?

Lola:(shocked) Wasn't he suppose to comeback home tomorrow?

Lucy(shocked): But that's impossible!

Luna:(shocked) How did he manage to get out the hospital by himself?

Clyde:(terrified) I don't know!

Bobby: Geez!

Ronnie Anne:(determined)
Don't worry, Clyde! Were on our
Way right now!

Clyde:(terrified) Hurry! (Muffled)

(Ronnie Anne hangs up the phone
the phone)

Lynn Sr.: Everyone, get in the Van!

(Everyone left the house immediately and went straight into the

Vanzilla and left the house as soon as possible.
It cuts to the inside of the Van)

Ronnie Anne: I don't understand.
You guys told me he was going to stay in the hospital for 2 days.

Lynn Sr.: I know! But how did he do it?

Rita: Well, the nurse did called me that he'd woken up. They were screaming on the phone like something bad happened.

Bobby: Wait! What if he demand and threaten the place.
I mean the nurse. What if he demand to let him out?

Lynn: Maybe that's what happened. He's been quite abusive, tough, mean and starts to everyone since he first changed. It's like the Lincoln we don't know and love anymore.

Lynn Sr.: What I'll tell you what, kids. It's either that's your Brother or it isn't Lincoln at all. Without a doubt, were gonna find a way to put all of this to an end before he does something worse. You'll never know, he could try to hurt Pop-Pop. Let's hope not.

(They all stopped at the McBride's house. They got out the car immediately and went straight into the house)

Bobby:(points to the door)
The door is open!

(Ronnie Anne kicked the door open and everyone ran inside the house. They got shocked as they found them. They took the tape off of each of their mouths and untied them. They found Lincoln in behind him when they heard him asked one question.)

Lincoln:(Sheldon) (furious)
What are you doing here?

Ronnie Anne:(shocked) LINCOLN?!

Lincoln:(Sheldon) (mean) It's Sheldon, you peanut head.

Bobby:(shocked) (scared)

Lincoln! Wh- What did you do?!

Lincoln:(Sheldon) Just gave my self a new makeover. You're meeting the new and improve me.
You're Welcome.

Ronnie Anne:(determined) No. No. No. No! This is not the best friend I know and love! I WANT THE REAL YOU BACK!!!!

Lincoln:(Sheldon) (went in front of Ronnie Anne) (surly) Well too bad because, THAT'S NOT HAPPENING!!! (pushes Ronnie Anne)

(Everyone gasped as they saw Ronnie Anne being pushed by her own friend. Some of the gang grabbed her back up as she began to stand)

Bobby:(shocked) Sis, are you Okay?!

Ronnie Anne:(contemptious)
I'm fine! Lincoln! Why are you acting so mean to me? Are you forgetting that I'm the one that stood right you're side as much as, Clyde. (voice breaks) Have you forgotten that I am one of your friends. Have you forgetten that I loved you?

Lincoln:(Sheldon) (suspicious)
I don't know. I've must've forgotten. Such as things that would never be the same between us again! You're so naive. It's over, Ronnie Anne. I don't love you anymore. I never will!

(Just hearing that broke Ronnie Anne's heart. Everyone became surprised as they began to feel sorry for her. But she knows deep down that Lincoln would never mean it because it's the way he would always treat her. She knows that it's not the Lincoln she knew and love since day one.
The one she had a secret crush on.
Ronnie Anne broke in tears)

Lori:(contemptious) Lincoln!
You just broke Ronnie Anne's heart.

Lincoln:(Sheldon) (mean) Do I feel bad about it just because the I'm not Lincoln anymore? (scoffs)

How ruthless.

Leni:(contemptious) No! What's
so ruthless is you! This isn't you Linky! We all want you back!
Hurting you're friends, family, and everyone innocent is wrong.

Lynn Sr.:(contemptuous)
What you're doing Son is out of order.

Clyde:(contemptuous)And it's cruel and harsh what you're doing.

Bobby:(contemptuous) No matter what, were gonna stop you.

Ronnie Anne:(tears streaming) (contemptuous) You're not getting away with this!

Lincoln:(Sheldon) (suspicious)
Nobody will ever stop me!
EVER! You guys are the reason why I've changed in the first place.
You for being my so called family changed my life.
My personality. Besides I don't even have a place like all of you.
You guys made me who I am.
A MONSTER!! IM THE LINCOLN YOU ALL WANTED!! How did you think I've escaped from the hospital? I forced the nurse to let me out the night before tomorrow where I'm really supposed to be released and then threatened them by putting them all to sleep.
I used the fire extinguisher to make a distraction like they're was really gas or air getting out of control causing them to a coma for a few hours. Well until it was stopped by a doctor turned on the sprinklers and it saved everyone's lives. But as I was saying. (furious)
I've already gave everyone in Royal Woods a disaster they wouldn't forget. Including innocent people. Good luck trying to stop me. because by tomorrow morning, I'm going to Pop-Pop's and see if him and his geezer are ready for some trouble. (laughs evil as he walks away). (frowns) Trust me. Why don't you just give up already. Nothing you're doing is going to work. (Slams the door and left the Mcbrides house)

Harold:(terrified) That was terrible!

Howard:(terrified) It's a good thing you guys came before he was about to get ready to about to do something worse with us.

Clyde:(shocked) Y-yeah. Thank you for saving us before he even tried to threaten us.

Luna: It's no problem, Dude.

Luan: At least we were just in time.

Lynn:(worried) Ohhhhh No!
Pop-Pops gonna get it next!

Lola:(terrified) I've never thought of it this was, but Lincoln's gone mad!

Lori:(worried) He's literally out of control.

Lana:(worried) And now tomorrow he's going to try to get Pop-Pop.

Lisa:(worried) Can this get any more worse?

Ronnie Anne:(determined)
Guys, it has to be deeper than to why he's acting like this. And if anything, it'll probably be because it's out of anger .Think about how he felt when you guys made a terrible mistake with him. It's like he just snapped and became the person he's not deep down inside. It doesn't just change you're personality. It'll change who you are.

Bobby: Oh my gosh you're right!
I've seen something like that on tv.
That feeling when something hurts you so much, deep down you feel like you needed to change for the best but then the situation gets worse and worse. Like payback.

Clyde: That could explain why he's acting like that. All the memories, all the hurt, and now he's starting a revenge.

Rita: I hope you don't mind but, you think Clyde can spend the night with us.

Lynn Sr.: We promise we'll make sure he's safe.

Howard: Are you sure about this, Son?

Clyde: Trust me. I can handle this.
As soon as it's settled then I'll comeback home.

(Clyde hugs his dads before he started leaving with the Louds and the rest of the gang)

Harold: Alright, take care.

Howard: And stay safe.

Clyde: We will!

(It cuts back to the Loud House where Lori comes upstairs heading to her room. She hears sniffing. She walk towards Lincoln's room. She looks through the door hole and saw Ronnie Anne crying softly and Looking at pictures of her and Lincoln.
Lori comes in to check on Her)

https://www.youtube.com/watch?v=58GQx4xEdlY

Ronnie Anne:(in tears) (annoyed)
(sniffing) What'd you want?

Lori:(concern) I heard you crying.
What's upsetting you? You can tell me.

Ronnie Anne:(in tears) (sniff)
It's just Lincoln. The way he treated me tonight is not like him.
He would never push me or say anything harsh to me. How should I know if it's really the Lincoln I know and love?

Lori: (comforting Ronnie Anne) Ronnie Anne, it may sound a little harsh what he did. But deep down, Lincoln is not that bad.
And he never is. It's like you said
earlier. If anything, then he's doing it out of anger.

Ronnie Anne:(in tears): Well how can I be sure if he truly cares so much.

Lori:(rubbing Ronnie Anne's back) Because in some other way he does. Just because he changed doesn't mean he doesn't love you. And even if he didnt it would look worse. Because Lincoln's a great person. He wouldn't mean to say anything like that at all.

Ronnie Anne:(in tears) Probably because of all the things I did before we became real close.
I'm sorry if I was always big jerk to him (tears streaming) All the times I made him felt like trouble before I moved and that's probably why he treated me that way. I'm so lame!

Lori:(tears up) (holds her shoulders) No! Don't be hard on yourself. Look at me. (Ronnie Anne looks at her) This is not your fault. Don't be hard on yourself.
You liked my brother right?
(Ronnie Anne nodding her head)
Alright then, that's only reason you were like that with. But all that matters is that nothing us your fault. It's ours. I feel terrible too. Trust me. I know. (sigh)

Ronnie Anne:(upset) I don't hate you, Lori. I'm just tired of how you always treat him. I thought you're supposed to be his big sister. Besides, you're soon gonna marry Bobby one day in the future and I'll have to be you're sister in law.
I don't know how I should trust you.

Lori:(shame) Me either. But I really wanna make it up to you.
Look I know that you're still mad at me but, like Clyde said, were working this out all together.
So please don't give up now.

(Ronnie Anne could feel tears streaming on her cheeks as she could still feel the hurt just looking down. As Lori could just look at her expression,
Lori starts feeling the sorrow as she was looking into her eyes when she just wiped a tear off her face. As Ronnie Anne looked up at Lori, she begans to speak up)

Lori:(voice breaking) I'm sorry.....

(As Lori said that, more tears kept streaming through her cheeks.

And so did Ronnie Anne's tears.
Lori hugged her real tight before Ronnie Anne could even hug her back and begins to cry softly and quietly. She cried until Lori leaned Ronnie And to her chest to comfort her. He holds her tightly while she was rubbing her back.
Ronnie Anne felt warmth as she began to feel she hug Lori tighter. She was lying close to her chest, she could even feel or hear Lori's heartbeating. She kept in her arms for a few minutes. She was no longer crying. She just kept breathing as Lori began to speak up)

Lori:(caring) (pats Ronnie Annes back) Trust me, Ronalda.
I know how you feel. Don't believe any of those things he said.
My brother's a good person.
He would never mean any of that.
You hear me? (Ronnie Anne nods her head in agreement) Were gonna restore him back.

(Ronnie Anne begans to cheer up after Lori's comfort for her.
They break the hug as Ronnie Anne spoke up)

Ronnie Anne: I.....I forgive you.
(smiles) (Holds Lori's hand as Lori does that as well. Then Ronnie Anne spoke up to Lori agaim)

Ronnie Anne:(smiles)
Hey..... Thank you.

Lori: (smiles) Aww.... It's nothing.

(They both hold hands tighter as they've gotten along)

(It cuts to Midnight. Everyone was asleep. It cuts to Lincoln's bedroom. Ronnie Anne was up lying on Lincoln's bed with her warm blanket just giving thoughts)

Ronnie Anne:(in her thoughts)
I hope there's way to make this works tomorrow. But Lincoln wouldn't listen, unless I would just talk to him.

(After that, Ronnie Anne goes back to sleep)

TO BE CONTINIUED.....

Hi guys. It's me again and I'm sorry if I took to long to make this chapter. I had alot on me. A lot from high school, working, its just been too much on me you know.
But I hope you enjoyed this chapter and I'll see you on
EB2: Part 3. 💔 See you guys next time.

This Isn't Me

(It all starts at on a rainy night where all the kids were getting ready for bed upstairs. Rita and Lynn Sr. was up watching Tv downstairs. The phone began to ring and Rita went to pick it up. It was a call from her Dad, Albert Loud)

Rita: Hello?

Albert:(on the phone) Rita, Honey are you there?

Rita: Oh. Hi, Dad.

Albert:(on the phone) Hey there, Sweetie. Listen, I know it's almost around 9. But i want to see you and your Lynn for a minute.
I need to have a real conversation with you.

Rita:(nervous) Okay? I'll see you there.

Albert:(on the phone) Alright.

(Rita hangs the phone up the phone as she just took a breath before she could just run her arm.
She wouldn't think her father would call her suddenly for something really important.
Couldn't he wanna talk about Lincoln? Or wouldn't she know that he'd found out about whats going on. She turned to Lynn as she grabs the keys to the Vanzilla)

Lynn Sr.: What did he need, Honey?

Rita: We have to go to the Sunset Canyon and see him right away.

Lynn Sr.: What happened?

Rita: He wants to have a moment to see us. He wants to have a talk with the both of us.

Lynn Sr.: But wait, what about the kids?

Rita: Don't worry, i know what to do.

Lynn Sr.: Okay. Let's go let them.

(So the Loud Parents head upstairs to the hallways. They hear the kids including the Santiagos and Clyde talking in Lori and Leni's room. So they head in to geet the kids for a quick minute before they could leave)

Rita: Hey there, kids. Clyde, Bobby, Ronnie Anne.

Kids: Hey Mom/Hey Dad/Sup Pops/Greetings Parent Units/ Hi Mommy/ Hi Daddy/ Mr and Mrs. Loud.

Lynn Sr.: Listen, your mother and
I have to go Pop-Pop's house.
It's really important.

Lori: But it's literally almost starting to get late.

Leni: Yeah. What's going on?

Rita:(neutral) Pop-Pop called us on the phone and told us that he wants us to come over to see him.
He wants to have a serious conversation with us.

(The kids looked at each other shocked. The became nervously hearing what their mother just said. What if their grandfather knew about what was happening? They wouldn't think if their grandtather would find out about
Lincoln)

Lisa:(shocked) Uh-Oh.

(All of the kids including the Santiagos and Clyde gulped)

Lucy:(shocked) You don't think Pop-Pop would wanna speak to you regarding Lincoln would he?

(Everyone shrugged as they groaned in frustration)

Rita: Wait. She could be right.

What if it is about Lincoln?

Lynn Sr.: However i kinda thought about it after she said he wanted us to see him.

Rita: And he kinda did sound
little a serious while i was on the phone.

Ronnie Anne:Maybe it did sounded like it was about Lincoln.

Lynn Sr.: Guys, Guys, I'm pretty sure whatever it is concerning Lincoln should go smoothly.

Bobby: I don't know about that.

Clyde: Yeah. I wouldn't say that so soon before going out there if i were in your shoes.

Lynn: Clyde's right. However kind of way he heard about what's going on, Pop-Pop isn't gonna take it.

Luan: I guess the last thing to say about this matter is that it's all the rage.(chuckles) But seriously, he
could be mad.

Lynn Sr.: That kinda sounds true.

Rita: Listen, it could take an hour or so. I don't mind you guys staying up having fun until we come back. (flips the keys with her fingers) But because it's starting to get a little late, i expect you to be in bed or asleep by around 10:30.
Lori's gonna be in charge until we comeback. Understood? We'll be right back.

(The kids all nodded their heads
in agreement)

Lynn Sr.: Ronnie Anne you could still sleep in Lincoln's room if you want. And Bobby, Clyde, feel free
to sleep downstairs or share one of the rooms for the night. You guys can borrow our inflatable beds.

Clyde: Got it.

Rita.: Alright Kids, Goodnight.
Make sure you guys help out Ronnie Anne, Bobby, and Clyde.
Feel free ro get a goodnight snack. Make yourself at home.

(The Loud Parents left and shut the door as they're heading out to the Vanzilla. Everyone looked at Lana as she asked one question)

Lana: So does anyone still wanna find out how Pop-Pop found out about this?

(Everyone shook their heads in disagreement)

Lana: Oh. Okay.

(The Parents were outside the house with their coats on bringing their umbrellas heading inside the Vanzilla. Rita was the one driving as she started the car. Before they could even drive off they thought about what the kids said a little while ago. What if they could be right. What if it is serious? Because some kind of way as a grandfather Pop-Pop is, he would never take it seeing anyone of his grandchildren in what situation they're in. He loves them all equally. Little did he know that his
own loving grandson and look alike would really be in enough problems than he already is right
now)

Lynn Sr.: Honey, you think the kids are right about this?
I can't get the things they've said out of my mind.

Rita: We'll see about that.

(So Rita starts backing up the car as she started to drive up to her Dad's house. At it was starting to get a little late, there weren't that much drivers around the road.
It was just a quiet night with the rain going all heavy driving from street to street. They've finally made it to the Sunset Canyon Retirement Home. Rita parked the car as he and Lynn brung out their umbrellas heading outside running towares the door putting out their umbrellas as they'd head inside the building and saw the

receptionist)

Receptionist: Hello there. Can i help you?

Rita: Yes. Were visitors.

Receptionist: Who are you here to see.

Rita: Albert Loud.

Receptionist:(gives her a clipboard) Alright just sign this and I'll let you guys in.

Rita: Alright. Thanks. (Gets the clipboard and takes out a pen and starts writing)

(It cuts to the where Rita and Lynn Sr. are walking in the hallway where they're heading to
Albert's door. They've just reached
to his door. Rita knocks the door and the door was opened by Albert)

Albert: Hi, Pumpkin. Lynn.

Rita: Hi Dad. (gives Albert a hug)

Lynn Sr.: Hey there. (handshakes
Albert)

Albert: C'mon in. I know it's really cold out there. Care for some coffee? (Rita and Lynn Sr. comes inside the room)

Lynn Sr.: Sure.

(It made a cutscene to the outside of the place where it was raining outside the place then cuts to Albert's room. The two parents were sitting on a sofa as they waited for Albert to comeback and he came in with to mugs)

Albert: Here's your coffees.
They're Mocha. (hands the coffees to Rita and Lynn Sr.)

Lynn Sr.: Thanks.

(Albert gives them a stare with a stern look)

Rita: What?

Albert: You guys are lucky I've thought about you guys first before i could even mention the main subject why I've invited you guys here. Speaking of which,
What have you've done with
Lincoln?

Lynn Sr.:(shocked) Wait, Wait Wait! Hold the phone. You knew about this? How?

Albert: Myrtle and i was at the mall with some friends. But he came in and started some chaos.

(FlashBack)

(Albert and his Girlfriend, Myrtle and other Senior Citizens were looking around at the clothing store at the store. But then Lincoln, came inside and looked around the place. He sees a cool jacket that he sees in a cool kid's hand. He came towards that person and snatched it from him rudely)

Cool Kid: Hey! I saw it first! Give it back!

Lincoln(Sheldon): Well news flash,
Bub. It's mine now! So why don't you find another one and buzzoff!
(Pushes the cool kid)

Cool Kid: Hey! Not cool!

Lincoln(Sheldon)(mean)
What's not cool is you. So Scram!
(Punches the cool kid)

(The cool kid looked terrified that he ranaway. He already bought the cool jacket. He was walking around the mall and then saw his friends Liam, Rusty, Zach and Stella. They were hanging out at the snack bar. He grins and laughed sinisterly)

Liam: I wonder happening with
Lincoln. He's been starting to act so mean and terrify people around Royal Woods.

Stella: Yeah. Lincoln is never that bad. He's a good friend. He would never try to hurt anybody or threaten any or act this harsh,
just like how he almost did when we were at school.

Rusty: Yeah and it could've been worse if it weren't for his younger sisters. They saved our butts before we could've gotten beaten up.

Zach: I hope his family finds a way to change him back. If there is a chance. You've seen what happened before last time when he ranaway from home.

Stella: Oh Gosh! That's Right.

Rusty: And it's been 10 months since that happened.

Liam: I know. Some things can be really hard to explain about in a situation like this.

Zach: No question about it.

Liam: You got that right.

(Suddenly, Lincoln appeared to
infront of them. It made them all look terrified not expecting for him to appear infront of hin like that. He just came out of nowhere)

Lincoln:(Sheldon) Hey Guys.....
Did i just spoil your time?

(They were all shaking just seeing him like he was a bad guy. But they know that he's never that bad. But would always be a good friend to them. Just a few seconds after he started talking to them, they became very scared)

Stella:(shaking in fear) W-W-Why
are you h-h-h-here.

Lincoln: Oh. Just thought if you you guys could use some ketchup

or mustard. (takes out the ketchup and mustard)

Liam: Well- um. Gee- th(screams)
(Lincoln squirts mustard at Liam as he laughs at him leaving him and the rest shocked or terrified. He runs off in fear as he started crying)

(3 of them looked at Lincoln in a shocked look as he starts squirting them as well causing them to also leave the food court in fear)

Stella:(shocked) Run!!!

Rusty, Zach, and Stella:(terrified)
Aaaahhhh!!!!!!!!

Security Guard: Excuse me, young man. But imma have to ask you to- (Lincoln punches the security guard causing him to get knocked out making everyone shocked.
He grins as he continues to squirt ketchup and mustard like as if they were guns. Nobody got hurt but he also hit people with their trays, threw food at them as they started running away and panic in fear. Including the owners of the stores)

Announcer: Attention Customers, please exit the mall immediately. A white-haired boy has started chaos around the food court and harrased and terrified out customers. (Cuts to everyone in each and every store hearing the announcement including Leni who's helping Pop-Pop and Myrtle bagging their things)

Albert Loud: White-Haired boy?
That's familiar. That sounds like my one and only grandson, Lincoln.

Leni:(gets nervous)(gasp)
Oh No.....

Myrtle: What do you mean oh no?

(Lincoln breaks in the store where Leni works at. People started running as he starts using the ketchup and mustard bottle he was using getting stains all over the clothes. Even the Boss couldn't resist the temptation of running out of the store. But Albert and

Myrtle became shocked just seeing Lincoln like this)

Albert Loud:(shocked) Lincoln?!
What happened?

Leni:(terrified) It's a Long Story!!

Myrtle: Let's get out of here!

(People continued running out of the store as the flashback began to end)

End of FlashBack

(It cuts back to present)

Lynn Sr.: So wait, Leni was there too?

Albert:(disappointed) Yes. She didn't say anything about it. But she had to leave early after what happened. He left all those people horrified like it was natural disaster.....But seeing him like this.....(shakes his head in disapprovment and sighs) It breaks my heart.....
My one and only grandson, my look-alike doing stuff like this..... I was thinking it had something to do with you guys.
It hurts me.

Rita: Trust me. It broken our hearts too. It hurts us more than it hurts you.

Albert:(disappointment)
If you guys did have something to with this, then how did he get like this?

(Rita and her husband stayed silent as he asked that question. They looked at each other in shame. Not answering his question like they're hiding something, he askee them again in a tone without hesitation)

Albert: How the did he get like this?!

(They became shocked after hearing the old man get aggressive as

he asked the same question. Rita went first after she took a deep breath before beginning to talk guilty tone)

Rita:(guilty) Well a couple days ago, he came home from school. And one day, we found the Van scratched up. And we accused him for it thinking he's the one to blame. He got so mad that he just stayed in his room. The girls broke his stuff and they beated him for no reason. But then, this part gets worse.

Lynn Sr.:(guilty) The next day, he was mad for the whole entire day.
When he came home from school, he ignored us through the entire day. Well at least until that night came. He were all fussing at him. But when he was fussing at us, he was saying true stuff about us. Such as us being hypocritical towards him, blaming him for something he didn't do, or always being agaisnt him. So he went back upstairs but then he found his room cleared up because we sold his furniture. Again. And we also kicked him out of the house.

Albert:(furious) You kicked him out of the house again?!

Rita: I know it was wrong. Just like the Bad Luck incident. He was so hurt that he was crying and we was cold. With nothing to eat and he also had to sleep as outside as well. But after what happened, the next morning we've really felt bad about doing all of those things.
So we wanted to make up to him.
But somehow, he changed himself.

Albert Loud: He changed himself?

Lynn Sr.: Yes. He was wearing a tank top, with a bad hair-do, chains sunglasses, and tattoos.
But since then, his behavior changed. He's been treating us mean and hateful, and started to threaten us and other people out there. Including his friends. He made us terrified. Saying cruel and nsgative things. He'd ever tried hitting us. He's worser than you would look at him. But he's never been the same anymore. But while we can, were now finding a way to change him back.

Albert:(disappointed) (palms his face) I can't believe i'm hearing

this. Rita, Lynn, I'm very, very disappointed in you. After what i just heard i feel like i should raise my voice. But it seems to that it's starting to get late to do exactly that. Not only you two have done something that was harsh but you guys just showed me how careless,
abusive, hypocritical, and very irresponsible you guys are.
I love all my grandchildren equally and this is the the day of the life i see with you having them in your household. You two are both responsible for the sake of whatever happens to these children. You're job is to care for their needs, look after them ni matter what problem it is big or small. You're suppose to help them, teach them, have them learn from their mistakes. Be there when they need you. Those kids need you. You need them. You guys are parents for a reason. They need you as role models so they can know how to make it through in this dangerous world from the guidance of growing up as a person. That's something Lynn should be doing. You suppose show him how he could make it through a physical journey as he grows to become a man. You have done none of that especially as a father. There will be times where he's gonna keep being mad at you because you were never there to make things complete things that any son would expect to have or look up to as much their father. Fathers and Sons are a bond. He's suppose to be the one looking up to you. But you failed him. And then you just had to get hard him especially if he was accused or eventually if you guys blamed him for something he's never done and then you just stand there and let him suffer. You're the only parents they'll ever had if you think you and the girls making Lincoln his life miserable is funny. Now if anyone was there to see or know any of this happening you two would be in jail otherwise you two wouldn't even be considered as good parents. (mad) And as for you Rita, I am really you disappointed in you more than ever. I did not raise you to be that way just like how you made Lincoln became. And he's only 12. You officially showed me that you're a bad mother to him. You have shown no respect once so ever concerning for his needs or how hard you're making his life. Apparently you failed him as a mother. The only argument with between you and Lincoln is to your lives easier by making his worse. That your only concern with him. How would you like it if he done all the things you guys done to him if you were in his shoes? Having a parent who would never care about you or also took the blame on you for no reason. Or

pushes you away. Does hypocritical things, abuses you no matter what, treats you like you're not worth it. Lies on you. Saying all those terrible things to you and those girls walk over you ignoring him no matter what happens to him. Wouldn't care if you're dead or went missing or otherwise. How would you like that? If you think it's funny seeing him live like this, don't take care of him at all. Because it's clear that you don't even deserve him. You should be ashame of yourself.

(Rita gets shocked after what her father just said. Hearing the truth out of his mouth made her froze.
She then starts to tear up and she begins to sob. She covers her face as she continues crying. Lynn Sr. starts to comfort his wife when she began to speak up)

Rita:(in tears) You're right. (sniff)
I'm -*hiccups* I'm a horrible mother. (tears streams and sniffs)
I've been nothing but a bad parent to him. I really am.

Lynn Sr.:(comfort) (sad) Oh, don't be hard on yourself, Honey.

Rita:(in tears) No. He's right, Lynn.
I'm a bad mother to him. Every single thing I've done..... Matter a fact, everything we've done was unforgettable and unforgivable. (sniff) Every single day when something happens in this family, he would miss out on a lot of our opportunities. And he would never get a chance to get the things he wants to do or have.
But i guess that I've been so blind from all these kids, that ive gotten lost in far behind to how i was really interact with them. I've really tried to be a great parent.
(hic) I really have..... But no matter what situation were in, it's gets more hard and hard for the point of me to see that I'm disowning one my only son.
We would get on the sisters case but then its hard for us to even be real parents when they were times we would keep going on their side and he would feel like were against him. I struggle everyday taking care of them in this house under one roof. (sniff)
These things in the past and now made makes me worry about how Lincoln would turn out in the future and i don't want anything like that to happen. But if he's like this.... the way he is now, it's because of me. (streaming) It's because if us. It's us not being there for him

as a family, us not being there for him as parents, the girls not being there for them as sisters. It's all our fault! (sniff) (hic) We made him like this. (continues sobbing)

Albert: Do you love him?

Rita:(shocked) What?

Albert: Do you love him?

Rita:(in tears) Yes!(hic) I do.....(sniff) i really do.....(sniff) With all my heart.....Lincoln is my son. No matter what he does. He is my little peacemaker. He is my heartbeat. He's always been so special and good to me. He's been so honest and responsible, Lincoln is such a great kid. Even if sometimes he could be into little trouble. And i wouldn't blame him if he's doing all bad things to people terrorising them. Including us.

Lynn Sr.:(shame) And i too, have failed him as a father. Im suppose to be guiding him as a male. But i failed as well. I fell so ashame for yelling at him and going way too far on him. But Lincoln, isn't that bad. He's a smart boy. He's smarter than that. He's a good person deep down inside. He wouldn't think of doing something cruel such as this. (pauses) If there's any reason i think he's doing this is because he's been hurtng for so long. He has to be angry about something. He might've been having problems with his emotions. He's been holding them in forever. But that's why were going to help him out. Some kind of way, were gonna get out son back.

Rita:(in tears) You could be right, honey. I honestly wouldn't think it would hurt him this much. Just like what happened last night. He was so tired and weak from all the pain we gave him..... We've promised him last year nothing like this could ever happen again....But unfortunately,
we've broken that promise.
And now since this happened we can feel his pain. I know that he's broken. Broken because of all the hurt from us. I just wanna do better. I wanna be a better parent.
A better mother. And i wanna make things better as so as Lynn. (voice breaks) But i don't know how.....

(Even if Albert is mad about what happened, he still felt pity about his daughter's sorrow)

Albert: Y'know, sure it was wrong what you guys all did. But sorry, is not the only thing that would work. It takes time to forgive and forget sweetie. It's probably hard because his bitterness that has taken over him.....But that doesn't mean it's too late to do the right thing.

Rita:(in tears) How?

Albert: That's up to you.

Lynn Sr.: We should get going.

Albert: Nice Conversation, tonight.
Call me when you need me.

(Lynn Sr. and Rita was heading to the door. He already left the out the door and Rita just stood the and sighed in disappointment. Towards the reaction of the situation, Albert still had love for his daughter. She gave her dad a hug. It cuts to back to the house. And everything was quiet because everyone was asleep. It cuts to Rita and Lynn's room. The were in their pajamas in their bed talking for a moment)

Rita: Lynn?

Lynn Sr.: Yes Rita?

Rita: No matter what happens tomorrow, were all going through this together.

Lynn Sr.: Oh trust me. We will.
And soon, things are gonna get better. As long as owe Lincoln.
For sure.

Rita: Night, Lynn.

Lynn Sr.: Night, Rita.

(Lynn turns off their lamp and they both went to sleep)

THE NEXT MORNING.....

(It cuts to Royal Woods retirement home, Sunset Canyon.where Lincoln/Sheldon heads inside to his grandfather's room kicks the door and walks inside. His grandfather, Albert Loud known as Pop-Pop and Myrtle were shocked)

Albert and Myrtle:(shocked)(gasp)

Lincoln:(deep voice) Alright. Just stand back and nobody gets hurt.....

Albert Loud:(shocked) Lincoln?
What's going on? And why are you dress like a bad guy?

Lincoln(Sheldon):(sinister) Goodmorning, Pops. I see you've discovered my new and improved me.

Albert: What do you mean, Goodmorning Pops.

Myrtle: What happened to the real Lincoln?

Lincoln(Sheldon):(sinister) Nobody asked you why he's always a bad influence to anyone. And it's not Lincoln anymore! It's Sheldon you, Doofus!

(Albert gasp)

Albert Loud:(determined)
That's Disrespectful.

Lincoln(Sheldon):(scoffs) I don't give a flying fudge.

(Everyone gasps once again)

Albert:(determined) Why are you acting like this? This is not the only Grandson i know and love.

Lincoln(Sheldon):(contemptious) Well get ready to meet you're new one. (cracks his knuckles)

(Suddenly, Lincoln or Sheldon turns around as he heard someone

kicks the door open.
It was It was the Loud Family, Ronnie Anne, Bobby, and Clyde all together. They came just in time to stop him just before he can even start his plans of revenge)

Ronnie Anne:(arrogant) It's over, Lincoln! This Violence ends Now!

Clyde:(arrogant) That's right!
This nonsense and danger you gave almost everyone in town including our friends in Royal Woods ends right now. Now we are going to stop you and were gonna get the real you back.

Lincoln(Sheldon):(contemptious)
(scoffs) Who's gonna stop me?

Lynn:(arrogant) We are!

Bobby:(arrogant) And there's no giving up and turning back than to stop you!

Lincoln(Sheldon):(comtemptious)
(deep voice) I don't think you can do that..... You guys got nothing on me! (Burns a small match stick and lifts it up to the sprinkler causing it to start going off)

Everyone(except for Lincoln)
Ahhh!!!

(Lincoln then breaks the fire hydrant and ash and air starts coming out and most of the gang began coughing)

Lynn Sr.: Kids, you and 5 others get Pop-Pop, Myrtle and his friends outside.

Lynn: I'm on it!

(Lynn and 5 of the siblings helped bring the elderly outside as the other characters went outside Ronnie Anne saw the fire hydrant running out and she sees Lincoln heading outside she quickly throughs the hydrant away and runs off)

Lana: Just Great! What are we gonna do now? He's getting away.

Lori: Yeah! There's no way we could literally catch up with him.

Clyde: Well where gonna have to follow him. He's probably doing something more worse than just putting the Elders in danger.

Lynn Sr.: Well let's go back into the van.

(They run back into the car quick before they could lose him. And Lynn Sr. started driving right away. And Lisa suggest something that can help them find a way to catch where Lincoln or Sheldon's going)

Lisa: I still hate those radio active things that will follow where ever he goes. And it he's heading towards the Arcade.

Clyde and Ronnie Anne:(shocked) Not the Gus's Games and Grub!

Lynn: Let's go!

(So they drove by Gus's Games and Grub and when they got there, everyone was screaming and they were running out of the place. Some people were scared, some of the kids were crying.
Everyone was shocked of how Sheldon has brung fear into arcade. They're now trying to figure out a solution)

Lola:(shocked) He's making everyone terrified.

(Lincoln just ran out with the pride in his spirit but with most of the cruelty in his heart. At least nobody was hurt or killed. But he saved the weapon just for his family. He spoke before he continues to runs off)

Lincoln:(Sheldon)(cruel) Just give up!! You're never going to stop me!!!

Ronnie Anne:(mad) Stop this, Lincoln! This isn't you

Lincoln:(Sheldon)(cruel): Whatever. (Runs off to some side of a building.

Lucy:(shocked) What can we do?

Clyde:(shocked) How can we stop him?

Lisa:(shocked) How can we put all of this to an end?

Rita:(shocked) How can we get our son back?

Ronnie Anne: Look, i know i have no choice. But I'm gonna have to go and deal with him myself.

(Everyone got shocked talking at once)

Everyone:(except for Ronnie Anne) WHAT?!

Lori:(shock) Ronnie Anne you can't. You heard how he said that we can't stop him.

Luan:(shock) Yeah and besides you seen what he said and/or did to you to last night.

Luna: He's too tough and rude.

Lynn: And he fights real harder than i can do.

Bobby:(worried) I don't want anything happening to you.
How can you make it on your own? I don't think you can handle this, Sis.

Ronnie Anne:(intelligent) Yes i can! I'm not giving up on him. I'm not afraid of him either. Like is said before, and I'm about to say this again. (sighs) know Lincoln wouldn't mean to do all of this or to hurt anyone. But deep down inside he is not that bad. And he would never do any of these things like he's doing right now. He's been doing this out of anger. He's hurting on the inside. We've already dealt this before and we're about to deal with this again. He needs us right now because he sacrificed so much for us. He needs me. He just needs more than love and support. And more than anything I'm the only who can stop this. I have to be the one to calm him down. Were going to work this out and make it right. I have to talk with him alone. (Bobby grabs her arm)

Bobby: Are you sure you can do this?

Ronnie Anne: Trust me. Nothing's gonan happen to me. I'm not afraid of him. Lincoln's smarter than that. He's a good friend.
(Runs a side of the building)

Lori: Good luck.

(Ronnie Anne walks on the sidewalk looking for Lincoln then she heard some noise. So she went to the wall across the edge.
While she was still walking, she stopped as she start hearing some noises. She kept hearing running footsteps. She looks around as she started to get nervous staying silent without even saying a word.
She turned around and found Lincoln standing in front of her.
She gasped. And then Lincoln slapped her to the ground as she got back up fought him back and tries to defeat him. But Lincoln grabbed her arm)

Lincoln:(Sheldon) (comtemptious) Do you really think a petty fight could end this nightmare?

Ronnie Anne:(comtemptious)
Not if I'm able to stop you first.
Not even without a fight.

Lincoln:(Sheldon)(discontented)
I don't think you could do that.
(Runs off)

Ronnie Anne:(contemptious)
Hey! Get back here! (runs off and follows Lincoln)

(Lincoln found some wood on the ground that he put down to block Ronnie Anne, but she jumps over it. Surprisingly that didnt work, Lincoln finds an old desk and used it to block Ronnie Anne, be she slide through it and continued following him. No matter what he does, nothing could ever stop her. He ran to a dead end where he had nowhere to go and when Ronnie Anne found him, she jumped on him and they started fighting. But he hit her so many times and lastly punched her in the face as she backed up to the wall in fear. Lincoln went in front of her face as she was in despair nervous)

Ronnie Anne:(contemptuous)

It's over, Lincoln!

Lincoln:(contemptuous) (deep voice) Give up now? Just stop already. You'll have no way of fixing these things up. (laughs evilly) Am i bad enough?

Ronnie Anne:(comtemptous) (grunts) Lincoln..... this..... this isn't you! You're not like this at all. I know you're inside somewhere. And I'm putting it to and end because enough is enough!
(Pushes Lincoln)

Lincoln:(Sheldon)(envious) That Lincoln was bever worth it until now. Because now, he's a threat!
(Gets back up)

Ronnie Anne:(comtemptous)(grabs Lincoln's hands)
Lincoln.....stop becoming the evil, hateful, mean ,selfish, hypocritical, dangerous, harmful,
Person You're Not!!!!!!

(Lincoln pauses as he looks at Ronnie Anne for a second in confusion)

Lincoln:(confused) What?

Ronnie Anne:(contemptious)
Look at yourself Lincoln, Do you not see what you're doing? What you did to us? Everything you've done is wrong and it has gone way too far!!

Lincoln:(Sheldon) What'll i care if i- (gets slapped by Ronnie Anne)

Ronnie Anne:(contemptious)
Shut up! Look what you done Lincoln! Look what you've become! Is this something you really want to do?

Lincoln:(Sheldon) (contemptious) I didn't ask for your concern about what i want!

Ronnie Anne: Look, I didn't either!
(sigh) Look okay? I want the real Lincoln back. What happened to the boy who would love his family no matter what he does or what

happens to him. What happens to the boy that's always there to help and would do anything. What happened to the boy who's friendly. The boy who puts others first instead of himself. The that always has his back for other people. The boy that makes people happy. My best friend.

Lincoln(Sheldon)(raged) That Lincoln is gone. And besides i don't care about that person i was anymore. Those days are over.
I don't need anyone. I don't need them. AND I DON'T NEED YOU!

Ronnie Anne:(contemptuous)
I'm sorry, Lincoln. But if this keeps up, I'm gonna have to call the police.

Lincoln(angry) Do it then! Who would I care for if I'm in prison. It's already clear nobody cares about me anyway!!!

Ronnie Anne:(comtempous)
That's not true, Lincoln.

Lincoln:(Sheldon)(angry) That's the part just like that so called family, you don't truly understand me! Like you've truly turned against me! Because they're the reason why I'm doing this!!!!

Ronnie Anne: Don't you see what you've gotten yourself into? You've became someone you're not. Look what you're doing, Lincoln. (Put hands on Lincoln's shoulders) I want you to look what you've done to your body. I want you to look what you done to yourself. Look at all the damage you've caused. You've seen what you've done, Lincoln. (Flashes backs to all the things he did to his family and how he treated everyone and how his new behavior went too far as he memorizes everything then it comes back to present) Look at what you've really become, Lincoln. Because this is not who you are. (Takes her hands off his shoulders) Just look at yourself.

(Lincoln looks down to his hands as responded in a shocking gasp. He looked over arms seeing lots of bruises. He continues looking at himself of what he's wearing and looks around the place as he begins to respond in fear)

Lincoln:(shocked)(normal voice)
Oh my Gosh..... (looks at his hands) What have i done?..... What am i doing?..... What happened to me?.....Why did i do all of this? (Looks back at Ronnie Anne with an apparent confused look)

Ronnie Anne: Imma need you to look inside this mirror and tell me what you see.

(Lincoln looks in the mirror close and carefully like she said and he begans to him what he see)

Lincoln: A Boy.....Dressed like a punk.....and wearing tattoos. ..... Doing all of these bad things. (shock) I-I just-..... I don't understand.

Ronnie Anne:(sigh) What you've said earlier was wrong. I've always understood you. I would never turn against you. Ever.
You know i would never do that.
And your family, they gave you lots of bad memories and did alot of hypocritical hard things. So did the other people we've grown up with. Yes. But in the end, your family still loves and cares about you. Trust me on this..... I know exactly how you feel. And i know why you did all of this.

(Lincoln had his eyes on Ronnie Anne as she continue to so speak with him)

Ronnie Anne: On the outside, you would be so happy. You would always be a kind, friendly person.
You were full of love. You were always responsible including for you actions.....No matter how many problems.....whatever it is big or small.....you're always there. There to help your family and friends. You sacrificed and done so much from us doing all these great things. He would do anything for them. What a guy you truly are..... A little rough....(pats Lincoln's back) But I would never expected to find you looking like this

(Lincoln stays silent as he starts to get feel ashamed from all the things he'd cause from the majority of his emotions.
Ronnie Anne continues to talk with him as he continues to listen)

Ronnie Anne: But on the inside.....(grabs Lincoln's hands) You were so angry.
You were hurt. You were abused. You were bitter. You were to hard to love. You were lost. But most of all .....you were scared. Everything you've done was tooken out of anger. And honestly, I don't blame you.

(Lincoln shockingly looks at Ronnie Anne realizing what a monster he'd really became.
From hurting innocent people, to hurting his own friends and family. From hatred to complete rage. He begins to realize he has lost his edge. He continues keeping his attention on Ronnie Anne as she gets closer to him.
She puts her hand on Lincoln's
chest right where she could feel his heart beating fast from the rage he'd tooken on everyone)

Ronnie Anne: But your Heart.....
.....It's been filled with
hatred.....bitterness.....
It's broken.....(rubbed his chest) it's cold.....it's painful.....it's harddened..... But it's mostly full of rage..... and anger. Again, I know how you feel. Everything you've done was out of was getting out of control. You've tooken everything out of all this hatred. (takes her hand off his chest)However, you've scared almost everyone in Royal Woods (shakes her head)..... I know how hurt you were when all those things happened to you with your family. All the things they did to you to make you bad like this.....
..... You were torned apart.....
.....you were too stressed and frustrated to articulate how you feel. You're so tired.....
This does not define you.....not at all. And it's been hurting for so long.....Hasn't it?

(As Lincoln remained quietly ashamed, he felt like Ronnie Anne was actually right about all the things about him and the way he felt after realizing how violent he became. He realized that not only did he hurt himself but he hurted everybody who ever cared about him. He became ashamed of the actions he'd caused from all of that

agression he had for his family. But realized, he tooken it all out on everyone. He felt tears coming to his eyes as he remained silent before he began to sniff. He kneels both of his knees. Then he softly started crying as more tears began streaming. Ronnie Anne was shocked seeing him like this in this matter. He sat behind a wall as he continued sobbing very quietly before he started to get hiccups. He looked back at Ronnie Anne as he began to speak. She sits next to him)

Lincoln:(in tears) Why do you think I'm a good person? (hic)
You've seen what I've done.
All the things I said and done to hurt people. I hurted you, (hic) I hurted my family and all my friends, I hurted everyone! (hic)
They're all gonna hate me.

Ronnie Anne:(concern)(shakes her head) No they won't.

Lincoln:(in tears) Then how come, I was violent huh?! Explain that?!
..... What makes you think
I'm already a better person?
What makes you think I'm perfect just the way I am?!

Ronnie Anne: Because you are!!

(Ronnie Anne paused staring at Lincoln before she continued)

Ronnie Anne: Lincoln, I understand the things they did was wrong.
But nobody ever expected this much of you.
Including me. Just because they done something unforgivable, doesn't you had to change yourself.

Lincoln:(in tears) But what about when they said that they like me better if I was never an outcast? (hic)

Ronnie Anne: Lincoln, Buddy, you're not an outcast. You're more than what you think you are.
You may think you mess up all the time but you don't. Everyone messes up at times including me.
Sure my family does things that I don't like. But you don't see me acting violent, breaking things, hurting people, or taking my

emotions on anybody like you.
You can't just continue to be mad at someone else for your pain. The only way this violence would cease is if you would forgive them.

Lincoln:(mad) (in tears) But how? All the things they done to me was completely unforgivable. If you were in my position, you would understand.

Ronnie Anne: (puts a hand on Lincoln's shoulder) And I do. I'm sorry about pain. And the things that happened. (wipes Lincoln's tears) But you can't be mad at them for everything and forever. You have every right to be. But you can't always be mad at them everytime you see them or around them. (Pauses for 10 seconds and leaves other hand to rest on Lincoln's chest where his heart is) You can't always have hatred in your heart. Because how will people love you if you don't love yourself. Matter a fact, how will people love you if your full of hate?

(Thinking about what Ronnie said, this made him sad)

Lincoln:(sad) Y'know, I never fault of it that way. They've done the best they could to love me even things like this happen.

Ronnie Anne: Yes. You can't hold it forever. You gotta forgive them.

(Lincoln was frowning still feeling ashamed of how this whole thing of him changing was the worst thing he ever done. But Ronnie still encourages him to be himself and about how he threw away his original character)

Ronnie Anne: What I'm trying to say is, changing is a bad solution. Because, people loved the good side about you. But when you change, people just feel like they don't know you anymore.....
I know who you are..... I've already seen great things inside of you. I've known you since the beginning. I've barely seen you. ..... You are more than just a brother and son. You're a friend.
You're the man of the plan. You're
one side Clincon-McLoud. You're the Lame- O I always knew. You're

my Ace-Savvy. You're kind. You're smart. You're loving. You're caring. You're tough. You're truthful. You're thoughtful. You're trustworthy. You're all of those things. You're not the things people use to tell you. You're already valuable as everyone else.
That's the Lincoln I know. Because that's who he is. And I think it's perfect.

(Lincoln looks at himself one last time. The whole time while she was taking, he started to cool down and he took breaths. Ronnie Anne could just feel Lincoln's heart beating slower. He was calmed. He replies to her with shame)

Lincoln:(shame) Your.....
You're right. I really feel bad. (sniff) This isn't me at all. It's like something deep down keeps telling me that I was wrong. (wipes his tears) The things you said about me was true but I guess it hurted so much that I went too far with my emotions. (sigh) I've really lost my edge.....I should've told them how I felt. But even if I did, then they would still treat me the same. But now look at me. A coward. Spreading violence towards his own family and friends. His flesh and blood. Possibly everyone.....Now everyone is gonna be afraid of me and they'll hate me..... You're gonna hate me too.....are you?

Ronnie Anne: No.....Oh no.
I would never hate you.

Lincoln: What about my family?

Ronnie Anne: They're not gonna hate you either. Why?

Lincoln: Because of the violence I've caused. They'll probably never talk to me again.

Ronnie Anne: Of course they will. They just need time. Just because you were violent towards people, doesn't they'll hate you for it.
It takes time than to forget and forgive.

Lincoln:(sad) But how? Weren't you afraid of me? Wouldn't you want me change? What about the things I said to you that night? (stands up)

Ronnie Anne:(smile) Because
I see the good in you. I see it in your eyes. Just because you caused all this harm and danger, doesn't mean your a bad person.
And Besides, you may have hurted me that night seeing you like this..... But I just knew you wouldn't mean to say those things. Sheldon said those things. Not you. (takes a breath as she takes her hand away from Lincoln's chest) (stands up) I wouldn't want you to change because, I think you're perfect just the way you are. I love the real you. And if they're not accepting you, then they need to change. Not you. So please Lincoln.....please don't change who you are. Be the Lincoln you are now. I love you..... just the way you are.
You're already more than enough. (gives Lincoln a hug) Just be yourself.

(Lincoln blushed before he could even hug Ronnie Anne back. And suddenly, he smiled. They hold on with each other for a while. Hearing Ronnie Anne's words made him realized that he was already special. He learned that he didn't have to change for other people or to make himself or someone else. He also learned that he don't need to be perfect to impress someone. He just needed to be himself. Finally they stopped hugging. And Lincoln replies to Ronnie Anne in a better mood as he smiled with a look on her face)

Lincoln:(smile) Thanks, Ronnie
Anne.

Ronnie Anne: For what?

(Lincoln paused before he could continue to speak)

Lincoln:(smile) For reminding me who I am. (Ronnie Anne smiles at him back before he could pause for a minute. He thought for a minute)

Lincoln:One more thing before we go. I'm sorry Ronnie Anne. I really am.

Ronnie Anne:(smile) It's not your fault. It was your family's. But they already regretted on what they did. But C'mon, let's go. (Puts her hand down in front of Lincoln)

(Lincoln looks at Ronnie Anne and and looks back at her. He begins to smile at her with one more reply)

Lincoln:(smile) Okay.

(They started walking out of the place to meet up with the rest of the Loud Family)
